The Sexual Man

Robert William Taylor

The Sexual Man:

The Sexual Man Archibald D. Hart, 1994 This groundbreaking report of men and sex in the 90 s refutes the current myths surrounding male sexuality and offers a sane view of what it means to be male sexual and normal Combining Dr Hart s 25 years of counseling with results from a nationwide survey The Sexual Man offers honest carefully documented answers to men s questions about male sexuality Copyright Libri GmbH All rights reserved Men in Feminism (RLE Feminist Theory) Alice Jardine, Paul Smith, 2013-05-20 What are men doing in feminist discourse Although many feminists have commented on the relation actual or possible of men to feminist thinking and practice and although some male academics have written about feminism there has so far been little shared discussion Men in Feminism is the first substantial attempt to produce a dialogue between feminists and their male allies This lively book comprised of essays by both men and women is a controversial sally in the current debate over the future of feminist theory Its focus is one seemingly direct and yet surprisingly prickly question the actual and potential relationship of men to the now impressive and widely recognized body of feminist writing Each essay attempts to assess the benefits or damage of male participation in feminism several of the contributions stand in direct dialogue with others The editors present mediate and reflect upon the agreements and arguments in the book as well as between themselves as editors Their dialogue afterword draws together the questions at the heart of the volume Offering few comfortable answers Men in Feminism will open up discussion of this theoretical and thoroughly political issue **Sex & Character** Otto Weininger, 2023-08-17 Reproduction of the original **A Practical Treatise on Sexual Disorders of the Male and Female** Robert William Taylor, 1900 **Falling in Love** Ayala Malakh-Pines, 2005 Falling in Love is the first book to unlock the mysteries of how and why we fall in love Renowned psychologist Ayala Pines shows us why we fall for the people we do and argues convincingly that we love neither by chance nor by accident She offers sound advice for making the right choices when it comes to this complicated emotion Packed with helpful suggestions for those seeking love and those already in it this book is about love s many puzzles The second edition furthers the work of the popular and successful first edition With expanded research theory and practice this book once again provides one of a kind understandings of the experience of love The new edition offers updated references to recent research new chapter exercises and case examples of romantic stories to begin each chapter **Disorders of the male sexual organs** Eugene Fuller, 1895 **Sex and Character** Otto Weininger, 2005-04-14 Otto Weininger s controversial book Sex and Character first published in Vienna in 1903 is a prime example of the conflicting discourses central to its time antisemitism scientific racism and biologism misogyny the cult and crisis of masculinity psychological introspection versus empiricism German idealism the women s movement and the idea of human emancipation the quest for sexual liberation and the debates about homosexuality Combining rational reasoning with irrational outbursts in the context of today s scholarship Sex and Character speaks to issues of gender race cultural identity the roots of Nazism and the intellectual history of

modernism and modern European culture This new translation presents for the first time the entire text including Weininger's extensive appendix with amplifications of the text and bibliographical references in a reliable English translation together with a substantial introduction that places the book in its cultural and historical context The Sexual Alarm System Judith Leavitt, 2012-06-07 The Sexual Alarm System Women's Unwanted Response to Sexual Intimacy and How to Overcome It by Judith Leavitt explores the shield that develops around many women's bodies to protect them from real and perceived sexual intrusions and dangers From a young age women are socialized to regard their sexuality as something that puts them in danger However the Sexual Alarm System interferes with a woman's ability to be sexual when she wants to be Leavitt discusses how the Alarm functions how it develops what triggers it and how it interferes with a woman's ability to be sexual in an intimate partnership In addition this book presents specific body exercises for therapists to give to women to work through this Alarm and to develop the ability to enjoy their sexuality
