Slaying Is Hell Alyson R. Buckman, Juliette C. Kitchens, Katherine A. Troyer, 2022-12-16 The films television shows and graphic novel series that comprise the Whedonverse continually show that there is a high price to be paid for love rebellion heroism anger death betrayal friendship and saving the world This collection of essays reveals the ways in which the Whedonverse treats the trauma of ordinary life with similar gravitas as trauma created by the supernatural illustrating how memories are lost transformed utilized celebrated revered questioned feared and rebuffed within the storyworlds created by Joss Whedon and his collaborators Through a variety of approaches and examinations the essays in this book seek to understand how the themes of trauma memory and identity enrich one another in the Whedonverse and beyond As the authors present different arguments and focus on various texts the essays work to build a mosaic of the trauma found in beloved works like Buffy the Vampire Slayer Angel Dollhouse and more The book concludes with a meta analysis that explores the allegations of various traumas made against Joss Whedon himself
