

Review Essay

Psychoanalysis

JIVITESH VASHISHT

Psychoanalysis has served as a time-tested, albeit occasionally contentious, method for interpreting a range of literary and cultural works, but how might we account for its own textual cultures and practices? For that matter, are psychoanalytic and literary genres distinct entities, or is their interface significantly more porous than we might imagine at first? In what follows, I review four critical texts published in 2020 (a double issue of a journal and two monographs) that grapple with various aspects of these questions and offer rich, formally attentive studies of psychoanalytic writing and its entanglements with literary genres such as the novella, memoir, and autobiography. The review is organized into four sections: 1. Introduction. *Psychoanalysis: A Writing Cure?* 2. After John Forrester: Reopening the Psychoanalytic Case, which discusses Felicity Callard and Chris Millard's guest-edited issue of *History of the Human Sciences* entitled *Thinking In, With, Beyond, and Across Cases with John Forrester*; 3. The Freudian Case History and its Literary Legacies, devoted to Arne Höcker's *The Case of Literature: Forensic Narratives from Goethe to Kafka*; and 4. Recovering the Analysand's Voice, which explores Anat Tzur Mahalel's *Reading Freud's Patients: Memoir, Narrative, and the Analysand*.

1. Introduction. *Psychoanalysis: A Writing Cure?*

Adam Phillips opens his 2002 collection of essays, *Equals*, with the claim that psychoanalysis is a 'listening cure' as much as a 'talking cure', before proceeding to redescribe analytic work aphoristically as 'an agreement that two people will bear together the consequences of their listening (to themselves and each other)' (p. 2). And yet there also exists another line of thinking that privileges writing—the process as well as the product—over speaking and listening as the conceptual, historical, and clinical substratum of psychoanalysis as envisioned by Sigmund Freud. Most iterations of this argument are, by now, over-familiar. In 'Freud and the Scene of Writing' (1967), for instance, Jacques Derrida

Writing And Psychoanalysis:

Writing in Psychoanalysis Emma Piccioli, Pier L. Rossi, Antonio A. Semi, 2013-06-17 A beautiful and thoughtful collection of essays on reading writing and learning Writing and Psychoanalysis grows out of a colloquium The results are wondrous and impact on the reader at many different levels In the act of writing we all discover something about what we know previously unknown to us and we learn more about our inner world that we knew before we set pen to paper or hand to computer Patrick Mahony goes so far as to argue that Freud's self analysis was essentially a writing cure Writing in Psychoanalysis is the first volume in the projected Monograph Series Psychoanalytic Issues the Rivista di Psicoanalisi the Journal of the Italian Psychoanalytical Society is undertaking in conjunction with Karnac Books This series constitutes a major effort to bring about a dialogue among psychoanalysts who while ultimately bound together by a common psychoanalytic heritage nonetheless are separated in their thinking by different idioms whether linguistic or theoretical While featuring writers of very different idioms this series will also present a venue to make some important Italian voices known to English speaking analysts

Writing in Psychoanalysis Emma Piccioli, 1996 A collection of papers on literature written from a variety of psychoanalytic perspectives by analysts from across the world *Between Author and Reader* Stanley J. Coen, 1994 In *Between Author and Reader* a psychoanalyst demonstrates through a series of careful readings that a psychoanalytic reading of a literary work in which one is aware of the response the writer is trying to elicit from the reader greatly enhances one's understanding of the work Coen asks what the author and the reader want from each other and how they cope with these needs in their literary encounters *The Writer and Psychoanalysis* Edmund Bergler, 1986

Psychoanalysis, Intersubjective Writing, and a Postmaterialist Model of Mind Dan Gilhooley, Frank Toich, 2019-09-23 In this in depth and unique collaboration between a patient and his psychoanalyst Psychoanalysis Intersubjective Writing and a Postmaterialist Model of Mind I Woke Up Dead examines the unconscious mind by analysing the patient's novel written during his treatment as the focus Using the patient's creative writing and their intersubjective relationship as evidence Dan Gilhooley and Frank Toich show how psychoanalysis fits within a postmaterialist model of mind In this ground breaking exploration Gilhooley and Toich together demonstrate how a nonlocal unconscious can reshape the psychoanalytic conception of the mind Split into four parts Intersubjective Quantum History and Collaboration Dan introduces three themes in the first recovery from death the intersubjective nature of therapeutic work and the role of creative imagination combining these themes with analysis of Frank's work and short related stories from his own life Part II Quantum introduces the concept of nonlocality to describe the mind and draws on the appearance of quantum physics in Frank's science fiction before moving onto Part III History which examines the emergence of psychoanalysis out of animal magnetism looking at rapport telepathy and love in psychotherapy Finally Collaboration discusses their ongoing psychotherapeutic experiment the role of imagination dissociation and the cosmic mind in psychological growth Interweaving creative writing psychoanalytic

theory and real life stories the book re contextualizes the history and future of psychoanalysis Due to its multidisciplinary nature this book will appeal to psychotherapists and psychologists in practice and in training It would also be a vital resource for academics and students of counseling consciousness studies psychoanalysis psychotherapy and psychology

Psychodynamics of Writing Martin Weegmann,2018-08-06 Psychoanalysis is often referred to a talking cure but in this fascinating book it is the art of writing that is discussed and explored Including contributions from a selection of leading therapists the book shines a psychoanalytic light on the very process through which the discipline is described It includes chapters on the idea of creativity the issues around a therapist s subjectivity the challenges of describing trauma as well as those of co authorship Psychodynamics of Writing will appeal to clinicians therapists and anyone interested in what the process of writing means

Writing and Psychoanalysis John Lechte,1996 This new Reader provides a wealth of material for study giving access to some of the most profound interpretative writing of the post war era Some of the texts by Foucault and Kristeva are available in English for the first time Others such as key texts by Freud are classics in the field Together they illuminate the intersection between writing and psychoanalysis making vivid the symbiotic relationship and the effect of the fusion on both

Writing and Madness Shoshana Felman,Martha Noel Evans,2003 This is the author s most influential work of literary theory and criticism in which she explores the relations between literature philosophy and psychoanalysis

Writing Through Repression Michael G. Levine,1994 What does it mean to treat a dream as a censored text Why does Freud turn to the realm of politics when attempting to describe dreams and the forces that shape them What happens to the concept of censorship when it enters Freudian discourse Is its political significance lost in translation or does Freud s borrowing somehow render enigmatic what we thought we understood under the name of censorship and under the name of borrowing In Writing Through Repression Michael Levine juxtaposes readings of psychoanalytic literary and critical texts to explore these questions Rather than seeking to extract a particular notion of censorship from Freud in order to apply it elsewhere he argues that it is more instructive to examine the difficulties Freud has in coming to terms with this notion It is through such difficulties he suggests that Freud s text opens a different kind of dialogue with the writings of Heine Benjamin and Kafka one that opens each to the challenge and solicitation of the other

Still Crazy After All These Years Rachel Bowlby,2003-09-02 One of feminism s most dynamic critics brings together psychoanalysis critical theory and cultural studies to look at how texts construct possibilities and limits for thinking what a woman is and where women might be going

Sabina Spielrein and the Poetry of Psychoanalysis Michael Plastow,2018-12-07 Sabina Spielrein who has been mostly known for her relation with her analyst Carl Jung came to the attention of the wider public following the discovery and publication of some of her diaries and personal letters some 40 years ago The focus on her relationship with Jung and her personal story have consequently led to a neglect of her writings with many of her crucial texts even remaining untranslated into English Sabina Spielrein and the Poetry of Psychoanalysis seeks to re address this distortion of her legacy by examining

her original contribution to the field such as her early analytical work with children Spielrein referred to moments of intimacy between herself and Jung as poetry Indeed as a response to what can be considered the inevitable failure in her relationship to Jung Spielrein wrote poetry and songs notes and theoretical papers These writings are examined here as her means of finishing her own analysis She was the first person to become an psychoanalyst through her own psychoanalysis a path that would later be recognised as a necessary part of the training for any analyst The book traces the poetry of Sabina Spielrein s writing through both its content and style examining the effect of these writings upon psychoanalysis and inserting them into a lineage of what Lacan would later call the *passee* a device that is open for the analysand to finish his or her analysis and accede to the place of psychoanalyst This book will be of interest to scholars and practitioners of psychoanalysis and other clinicians including those who work with children those interested in the early history of psychoanalysis and those concerned with women s writing more generally

The Writing Cure Mark Bracher, 1999 For cultural workers teachers critics and others who want to work for positive social change a psychoanalytic writing pedagogy offers the opportunity to undermine the psychological roots of many social problems including intolerance and various forms of self destructive behavior

The Writing Cure Emma Lieber, 2021-11-18 In *The Writing Cure* Emma Lieber tells the story of her decade long analysis and her becoming a psychoanalyst by tracing dreams scenes and signifiers that emerged from her analysis while also undertaking critical explorations of works of psychoanalytic theory and literary texts *The Writing Cure* thus articulates what psychoanalysis does for its patients by writing the moment of its termination in real time performing the convergence of theory and life on which psychoanalysis itself balances Throughout Lieber considers what psychoanalysis the talking cure has to do with writing the foundation of psychoanalysis on Freud s distinctive writing practice what it means to write oneself as a psychoanalyst the extent to which the cure involves a new kind of self writing Most broadly *The Writing Cure* asks What would it look like to write your way to the end of an analysis Is it possible to write yourself into the position of psychoanalyst Is it possible to write your cure

On Freud's Creative Writers and Day-dreaming Ethel S. Person, Peter Fonagy, Servulo Augusto Figueira, 2018-03-22 This volume contains Freud s essay *Creative Writers and Daydreaming* which explores the origins of daydreaming and its relation to the play of children and the creative process Each contributor offers an insightful commentary on the essay

Psychoanalysis and Fiction Daniel Gunn, 1990-05-10 Daniel Gunn s aim is to investigate ways in which psychoanalytic writing and certain kinds of creative fiction can be seen to have common concerns objectives and procedures He examines the work of various psychoanalysts from Freud through to Lacan as well as more recent practitioners writers such as Maud Mannoni and Serge Leclair together with the work of creative writers like Proust Kafka Samuel Beckett and Marguerite Duras His conclusion is that such questions as origins ambivalence and repetition are presented and worked out in both types of discourse and that the similarities and differences between the ways in which they are presented shed light on those discourses themselves when it comes to understanding for example the relationship

between an author and his reader or a psychoanalyst and his patient *Still Crazy After All These Years: Women, Writing & Psychoanalysis* Rachel Bowlby, 2010 *On Freud's Creative Writers and Day-Dreaming* SERVULO. A. FIGUEIRA, Taylor & Francis Group, 2019-07-10 *The Writer and Psychoanalysis* Edmund Bergler, 1950 *Femininity, Desire and Sublimation in Psychoanalysis* Elda Abrevaya, 2022-08-12 *Femininity Desire and Sublimation in Psychoanalysis* explores female subjectivity and examines the complexities inherent in psychoanalytic work realized by women analysts with women The book includes a critical study of psychoanalytic theories on femininity as well as a reflection on social aspects of gender Elda Abrevaya envisages different paths to femininity illustrated in the text with studies of Virginia Woolf and Marguerite Duras and examines the vicissitudes of the relation of the little girl with the mother and her crucial challenge which is separation from the mother in order to access erotic life and the use of cultural objects *Femininity Desire and Sublimation in Psychoanalysis* also explores the question of sublimation shedding light on a field that has not been sufficiently explored in terms of female sexuality and female identity Throughout the book sublimation in women comes to the forefront as a source of satisfaction liberation and participation in public life The book will be important reading for psychoanalysts and other clinicians in the field of mental health as well as academics in the fields of gender studies literature philosophy and sociology

In Writing Adam Phillips, 2017-06-01 Incisive and highly original an investigation of the connection between literature and psychoanalysis from Britain's leading psychoanalyst author of *On Kissing Tickling and Being Bored* and *On Kindness* the essential Adam Phillips For Adam Phillips as for Freud and many of his followers poetry and poets have always held an essential place as both precursors and unofficial collaborators in the psychoanalytic project But the same has never held true in reverse What Phillips wonders at the start of this deeply engaging book has psychoanalysis meant for writers And what can writing do for psychoanalysis Phillips explores these questions through an exhilarating series of encounters with and vivid readings of writers he has loved from Byron and Barthes to Shakespeare and Sebald And in the process he demonstrates through his own unique style how literature and psychoanalysis can speak to and of each other

Thank you utterly much for downloading **Writing And Psychoanalysis**. Most likely you have knowledge that, people have seen numerous times for their favorite books taking into consideration this Writing And Psychoanalysis, but stop taking place in harmful downloads.

Rather than enjoying a fine PDF following a cup of coffee in the afternoon, otherwise they juggled taking into account some harmful virus inside their computer. **Writing And Psychoanalysis** is user-friendly in our digital library an online right of entry to it is set as public appropriately you can download it instantly. Writing And Psychoanalysis Introduction

In today's digital age, the availability of Writing And Psychoanalysis books and manuals for download has revolutionized the way we access information. Gone are the days of physically flipping through pages and carrying heavy textbooks or manuals. With just a few clicks, we can now access a wealth of knowledge from the comfort of our own homes or on the go. This article will explore the advantages of Writing And Psychoanalysis books and manuals for download, along with some popular platforms that offer these resources. One of the significant advantages of Writing And Psychoanalysis books and manuals for download is the cost-saving aspect. Traditional books and manuals can be costly, especially if you need to purchase several of them for educational or professional purposes. By accessing Writing And Psychoanalysis versions, you eliminate the need to spend money on physical copies. This not only saves you money but also reduces the environmental impact associated with book production and transportation. Furthermore, Writing And Psychoanalysis books and manuals for download are incredibly convenient. With just a computer or smartphone and an internet connection, you can access a vast library of resources on any subject imaginable. Whether you're a student looking for textbooks, a professional seeking industry-specific manuals, or someone interested in self-improvement, these digital resources provide an efficient and accessible means of acquiring knowledge. Moreover, PDF books and manuals offer a range of benefits compared to other digital formats. PDF files are designed to retain their formatting regardless of the device used to open them. This ensures that the content appears exactly as intended by the author, with no loss of formatting or missing graphics. Additionally, PDF files can be easily annotated, bookmarked, and searched for specific terms, making them highly practical for studying or referencing. When it comes to accessing Writing And Psychoanalysis books and manuals, several platforms offer an extensive collection of resources. One such platform is Project Gutenberg, a nonprofit organization that provides over 60,000 free eBooks. These books are primarily in the public domain, meaning they can be freely distributed and downloaded. Project Gutenberg offers a wide range of classic literature, making it an excellent resource for literature enthusiasts. Another popular platform for Writing And Psychoanalysis books and manuals is Open Library. Open Library is an initiative of the Internet Archive, a nonprofit organization dedicated to digitizing cultural artifacts and making them accessible to the public. Open Library hosts

millions of books, including both public domain works and contemporary titles. It also allows users to borrow digital copies of certain books for a limited period, similar to a library lending system. Additionally, many universities and educational institutions have their own digital libraries that provide free access to PDF books and manuals. These libraries often offer academic texts, research papers, and technical manuals, making them invaluable resources for students and researchers. Some notable examples include MIT OpenCourseWare, which offers free access to course materials from the Massachusetts Institute of Technology, and the Digital Public Library of America, which provides a vast collection of digitized books and historical documents. In conclusion, Writing And Psychoanalysis books and manuals for download have transformed the way we access information. They provide a cost-effective and convenient means of acquiring knowledge, offering the ability to access a vast library of resources at our fingertips. With platforms like Project Gutenberg, Open Library, and various digital libraries offered by educational institutions, we have access to an ever-expanding collection of books and manuals. Whether for educational, professional, or personal purposes, these digital resources serve as valuable tools for continuous learning and self-improvement. So why not take advantage of the vast world of Writing And Psychoanalysis books and manuals for download and embark on your journey of knowledge?

FAQs About Writing And Psychoanalysis Books

1. Where can I buy Writing And Psychoanalysis books? Bookstores: Physical bookstores like Barnes & Noble, Waterstones, and independent local stores. Online Retailers: Amazon, Book Depository, and various online bookstores offer a wide range of books in physical and digital formats.
2. What are the different book formats available? Hardcover: Sturdy and durable, usually more expensive. Paperback: Cheaper, lighter, and more portable than hardcovers. E-books: Digital books available for e-readers like Kindle or software like Apple Books, Kindle, and Google Play Books.
3. How do I choose a Writing And Psychoanalysis book to read? Genres: Consider the genre you enjoy (fiction, non-fiction, mystery, sci-fi, etc.). Recommendations: Ask friends, join book clubs, or explore online reviews and recommendations. Author: If you like a particular author, you might enjoy more of their work.
4. How do I take care of Writing And Psychoanalysis books? Storage: Keep them away from direct sunlight and in a dry environment. Handling: Avoid folding pages, use bookmarks, and handle them with clean hands. Cleaning: Gently dust the covers and pages occasionally.
5. Can I borrow books without buying them? Public Libraries: Local libraries offer a wide range of books for borrowing.

- Book Swaps: Community book exchanges or online platforms where people exchange books.
6. How can I track my reading progress or manage my book collection? Book Tracking Apps: Goodreads, LibraryThing, and Book Catalogue are popular apps for tracking your reading progress and managing book collections. Spreadsheets: You can create your own spreadsheet to track books read, ratings, and other details.
 7. What are Writing And Psychoanalysis audiobooks, and where can I find them? Audiobooks: Audio recordings of books, perfect for listening while commuting or multitasking. Platforms: Audible, LibriVox, and Google Play Books offer a wide selection of audiobooks.
 8. How do I support authors or the book industry? Buy Books: Purchase books from authors or independent bookstores. Reviews: Leave reviews on platforms like Goodreads or Amazon. Promotion: Share your favorite books on social media or recommend them to friends.
 9. Are there book clubs or reading communities I can join? Local Clubs: Check for local book clubs in libraries or community centers. Online Communities: Platforms like Goodreads have virtual book clubs and discussion groups.
 10. Can I read Writing And Psychoanalysis books for free? Public Domain Books: Many classic books are available for free as they're in the public domain. Free E-books: Some websites offer free e-books legally, like Project Gutenberg or Open Library.
