Three Pronged Dagger:

The Three-Pronged Dagger Kerry Greenwood,2013-01-01 Everything pointed to Ben the three pronged knife the scratches on his face And why was he out and about that dark night Penelope Thanatopoulos doesn't like Benjamin Thorpe but she is shocked when he is suspected of attacking Kevin Friend at the zoo where they are on work experience Who stabbed Kevin and threw him into the seal pool Penelope makes it her business to find out KERRY GREENWOOD has written a chilling mystery for younger readers in **The Three Pronged Dagger**

The Burial Record of Prehistoric Liangshan in Southwest China Anke Hein,2016-12-13 This book proposes a new model and scheme of analysis for complex burial material and applies it to the prehistoric archaeological record of the Liangshan region in Southwest China that other archaeologists have commonly given a wide berth regarding it as too patchy too inhomogeneous and overall too unwieldy to work with The model treats burials as composite objects considering the various elements separately in their respective life histories The application of this approach to the rich and diverse archaeological record of the Liangshan region serves as a test of this new form of analysis This volume thus pursues two main aims to advance the understanding of the archaeology of the immediate study area which has been little examined and to present and test a new scheme of analysis that can be applied to other bodies of material [The Lake Dwellings of Switzerland and Other Parts of Europe](#) Ferdinand Keller,1878

[The Art of Destiny](#) Wesley Chu,2024-07-02 A hero once believed to be the chosen one must find a new path with the help of a band of unlikely allies in the sequel to *The Art of Prophecy* an epic fantasy ode to martial arts and magic from the 1 New York Times bestselling author Wesley Chu Once there was a prophecy that a chosen one would rise to defeat the Eternal Khan an immortal god king But the prophecy was wrong Now Jian the former chosen hero is just an ordinary young man trying to find his own way But he may yet have an extraordinary destiny because he joins forces with Taishi his grumpy grandmaster who instructs him in the ways of her family's powerful war art Jian still has a long way to go before he can become her heir so she recruits a band of elderly grandmasters out of retirement to whip him into shape and help with this one last job And there are others who are also seeking their own destiny like Qisami an assassin on a secret mission to protect a powerful noblewoman from her enemies But as Qisami goes undercover to complete her mission she takes on a new identity that gives her something she never had before friendship found family and new purpose Sali also thought her fate was laid before her She was supposed to be looking for the next Eternal Khan and now finds her clan exiled from everything she's ever known As she leads the survivors in search of a new home Sali discovers that she's something she never thought she could be a leader and a revolutionary Because sometimes destiny is grander than any prophecy can foresee And the greatest destiny of all is the one you choose for yourself [Christian Missions and Social Progress](#) James Shepard
