When God Doesn't Heal Now:

When God Doesn't Heal Now Larry Keefauver, 1999-12-16 God has healed in the past and wants to heal now But though they pray in faith go to healing meetings and strive to have enough faith many are not healed as they would wish to be When God Doesn't Heal Now examines the myths about healing that are built on partial truths and looks at the profound relationship between prayer healing and the sovereignty of God This guide offers a balanced look at teachings on healing faith healers and ways to bring biblical clarity to beliefs that often foster guilt defeat and despair when believers are not immediately healed When God Doesn't Heal Now is an encouraging book which affirms the biblical truth that God is our healer

When God Doesn't Heal Larry Silverman, 2017-10-04 You have prayed for healing and it hasn't happened yet Now what Do you need more faith Is God not happy with your life Or perhaps it's something else altogether Larry lived by and taught a mixed message of law and grace One of the greatest lies he taught was the more we please God the more He will be pleased with us and answer our prayers Many in the body of Christ today have made healing a type of law They believe the reason God hasn't healed them is because they don't have enough faith to be healed While many books suggest ways to be healed and stay healed this book addresses what happens when God doesn't heal Let's face it sickness and disease are bad enough but to add such issues as feeling God is displeased with us and He is punishing us because of our lack of faith makes matters that much worse In When God Doesn't Heal author Larry Silverman blends his understanding of grace into the practical reality of living with sickness and disease especially detailing his battle and victory over cancer
