**The Spirit within Me** Carol A. Newsom, 2021-10-12 The first full length study of the evolution of self and agency in ancient Israelite anthropology Conceptions of the self have received significant recent attention in philosophy anthropology and cultural history Scholars argue that the introspective self of the modern West is a distinctive phenomenon that cannot be projected back onto the cultures of antiquity While acknowledging such difference is vital it can lead to an inaccurate flattening of the ancient self In this study Carol A Newsom explores the assumptions that govern ancient Israelite views of the self and its moral agency before the fall of Judah as well as striking developments during the Second Temple period She demonstrates how the collective trauma of the destruction of the Temple catalyzed changes in the experience of the self in Israelite literature including first person singular prayers notions of self alienation and emerging understandings of a defective heart and will Examining novel forms of spirituality as well as sectarian texts Newsom chronicles the evolving inward gaze in ancient Israelite literature unveiling how introspection in Second Temple Judaism both parallels and differs from forms of introspective selfhood in Greco Roman cultures

*The Spirit Within* Paul Pacific, 2012-04-27 The Spirit Within is a treasure map that will illuminate a path for the reader to travel on an inner journey of spiritual self discovery It is not our physical self that was created in the image and likeness of God but our Soul or Spirit Within Learning how to connect with your Spirit Within or True Self is a treasure far beyond any riches you could ever imagine Get quiet focus within and ask yourself Is this book for me You will know the answer from a subtle feeling or knowing within you Whether you choose to read on or not as long as you are heeding the advice or your own Spirit Within you can never lose your way True intuition is a brief consciously aware connection with God through your Spirit Within IT is never wrong True Inspiration is the consciously
