Billy and the Applegates David John Wiles,2020-10-22 At the start of World War II the British government determined the railway in East London would be vulnerable to heavy bombing by Germany Children in the area were evacuated into the countryside to save their lives Among the children sent to the West Country for the duration of the war were Tom and Billy Hedge Their train journey to Cornwall was long and tiring When the brothers finally arrived at the Applegate Farm in Netherton where they were to be fostered Billy stated I don t like it here Tom and that night they silently cried themselves to sleep The Applegates had two children a son Joshua who at thirteen was a year older than Tom and a daughter Queenie aged nine and a half just six months younger than Billy Tom found farm work to be hard and tedious while Billy relished looking after the chickens and later the horses Billy and Queenie bonded right from the start and became inseparable They shared numerous adventures in the small village including meeting a local ghost and helping an army deserter After the war and just before Christmas 1949 the two married

The Modoc War Robert Aquinas McNally,2017 On a cold rainy dawn in late November 1872 Lieutenant Frazier Boutelle and a Modoc Indian nicknamed Scarface Charley leveled firearms at each other Their duel triggered a war that capped a decades long genocidal attack that was emblematic of the United States conquest of Native America s peoples and lands Robert Aquinas McNally tells the wrenching story of the Modoc War of 1872 73 one of the nation s costliest campaigns against North American Indigenous peoples in which the army placed nearly one thousand soldiers in the field against some fifty five Modoc fighters Although little known today the Modoc War dominated national headlines for an entire year Fought in south central Oregon and northeastern California the war settled into a siege in the desolate Lava Beds and climaxed the decades long effort to dispossess and destroy the Modocs The war did not end with the last shot fired however For the first and only time in U S history Native fighters were tried and hanged for war crimes The surviving Modocs were packed into cattle cars and shipped from Fort Klamath to the corrupt disease ridden Quapaw reservation in Oklahoma where they found peace even more lethal than war The Modoc War tells the forgotten story of a violent and bloody Gilded Age campaign at a time when the federal government boasted officially of a peace policy toward Indigenous nations This compelling history illuminates a dark corner in our country s past
