Hearts at Stake G.L. Giles,2010-09-24 As the number of my adult short stories songs and poems has grown

considerably many of them have been previously published in magazines etc I decided it was high time to gather many of them together into an anthology that has a cohesiveness about it of oftentimes exposing the truth of the human heart through a fictional or fictionalized setting characters etc Hence the title Add to that Ive included two articles one on even more marketing advice and the other about how I was able to successfully lose weight as a vegetarian Plus there are other surprises included within that youll just have to discover for yourself Praise for the Writing of G L Giles I will begin by saying that one of the best things about Giles writing is that she defies tradition and she expresses herself in whatever form or style she wishes I feel that she creates her own rules regarding her writing and I respect the hell out of that I enjoy her live and let live policy which constantly shines through her writing and I think she is one of the most honest and open writers that I have read She is very comfortable with whom she is and that peace about her gives her words great power Peter Syslo for *Infernal Dreams* <http://www.infernaldreams.net/mindyourpsandqs.html> *Mind Your Ps and Qs* G. L. Giles,2008-12 There has been frequent debate about what Mind Your Ps and Qs really means It has come to mean a lot to me over the years as minding my own Ps and Qs not the dogma of stale thought became what is truly important to me So I have come up with my own definition of Ps and Qs meaning Poetry and Quotes Specifically my own poetry and quotes which I hope will empower others as they have me In addition I ve included a short story entitled *Stripper Witch* and an article entitled *More Marketing Advice* which will hopefully benefit not only nontraditionally published authors but those traditionally published as well **Days and Nights in Summerville** G.L. Giles,2008-07-03 G L Giles is grateful to be one of the Indie Author success stories Shes had over 140 major bookstore signings for various Borders Barnes it aired on his Bloomberg Radio show in New York and was heard by millions in 2008 Shes been a Top 10 Royalty Earner for her publisher and was recently honored by being in the Author Spotlight at their site Furthermore shes had an article poem and interviews published in *MetaCreative Magazine* in 2008 and she writes a book review column called *The G L Giles Files* for *Psychic Times* Her experiences with the unique challenges of being a self published and successful author are gathered and presented in the first article in this book entitled *My Advice on Marketing your Nontraditionally Published Book* In the spirit of thwarting the hegemony and not being anti hodgepodgery shes also included in this anthology some of her award winning poetry micro fiction short stories and sample chapters etc from the final book in her vampire series Finally she decided it would be fun to include some of the digital pictures shes taken over the last few years while living on the edge of the vibrant spinney in Summerville South Carolina
