**When the War is Over** martha attema,2002-01-01 In occupied Holland during World War II sixteen year old Janke Visser watches her father s and brother s involvement with the Resistance movement in their small town and longs to help fight the Nazi invaders But there is tension in the family as her nervous mother fears that their actions will doom them all Nevertheless when the opportunity to become a courier for the Resistance presents itself Janke welcomes it The danger provides some relief from the harsh realities of war time life As living conditions deteriorate and her missions become ever more perilous it is her hatred of the Nazis that fuels the courage and determination Janke needs to go on And then she meets Helmut a young German soldier who doesn t fit the stereotype she has learned to hate so fiercely Now suddenly she must deal with confusing new feelings for the enemy But when Janke is captured while helping an Allied airman escape her fate seems sealed Unless Helmut is willing to betray his own country

*When the War Is Over* Barbara Fox,2016-07-28 THE TOUCHING TRUE STORY Two young Second World War evacuees Far from home far from family safe from the war Gwenda and Douglas Brady were among the millions of British children sent to live with new families for their own safety during the Second World War leaving behind their parents their friends and all that felt familiar and safe Evacuation could be a scary experience but five year old Gwenda and her brother were lucky enough to be housed with a kindly schoolmaster and his wife and soon the realities of the war felt very far away WHEN THE WAR IS OVER touchingly tells the story of how Gwenda and Doug found a second family and a loving home in the remote Lake District village of Bampton and how the war touched the lives of everyone even those far far away from the big cities Readers love WHEN THE WAR IS OVER One of the very best books I have ever read without a doubt A wonderful HEARTWARMING story A RIVETING read All the people really came to life A WONDERFUL record True stories of life and VERY ENTERTAINING NOSTALGIC and ENJOYABLE An intimate record of what it was like as a young child being evacuated in WWII

*The War of the Rebellion* United States. War Department,1886 Official records produced by the armies of the United States and the Confederacy and the executive branches of their respective governments concerning the military operations of the Civil War and prisoners of war or prisoners of state Also annual reports of military departments calls for troops correspondence between national and state governments correspondence between Union and Confederate officials The final volume includes a synopsis general index special index for various military divisions and background information on how these documents were collected and published Accompanied by an atlas

**The "Ulster Guard" (20th N. Y. State Militia) and the War of the Rebellion** Theodore Burr Gates,1879

*Our War Too* Margaret Paton-Walsh,2002 In the late 1930s a number of American women especially those allied with various peace and isolationist groups protested against the nation s entry into World War II While their story is fairly well known Margaret Paton Walsh reveals a far less familiar story of women who fervently felt that American intervention was absolutely necessary Paton Walsh recounts how the United States became involved in the war but

does so through the eyes of American women who faced it as a necessary evil Covering the period between 1935 and 1941 she examines how these women functioned as political actors even though they were excluded from positions of power through activism in women s organizations informal women s networks and even male dominated lobbying groups In the Great Debate over whether America should enter the war some women favored aid to the Allies not because they hoped for war but because they hoped aid would forestall more direct U S involvement but also because they believed war was preferable to a Nazi victory Paton Walsh shows that this activism involved some of the most prominent women of their day Elizabeth Cutter Morrow whose son in law Charles Lindbergh was an isolationist spokesman supported the revision of the Neutrality Acts to allow the sale of arms to the Allies and expressed her support in a national radio broadcast Soon other women joined this debate Esther Brunauer of the AAUW journalist Dorothy Thompson and organizations like the League of Women Voters and National Women s Trade Union League broke from the pacifist tradition to advocate American aid for the Allied cause Focusing on the conflict in Europe Paton Walsh shows how these women grasped the implications of the Lend Lease program for America s entry into the war but supported it nevertheless By late 1941 the Women s Division of the Fight for Freedom Committee had been established no longer merely advocating aid to Britain to keep American boys out of battle this organization supported direct American involvement in the war as a means of stopping Nazi oppression While most historians have focused on women s pacifism Paton Walsh connects women more directly to world events and shows how those interventionists reformulated maternalist ideas to justify and explain their beliefs Our War Too is a story of American women trying to reconcile the irreconcilable to preserve both their principles and their peace It expands our understanding of women as political actors and thinkers about foreign policy as it sheds new light on American public opinion over the build up to the war
