**Willfully Wed** Toni Collins,2011-07-15 FAMILY SECRETS Danielle Vine was stumped she s been left a huge sum of money but she didn t know from who or why She couldn t accept her inheritance until she found out where it came from so she hired gorgeous private eye Mitch Newman Problem was she d rather kiss the pragmatic man than listen to his ridiculous theories FAMILY MAN Danielle s case had Mitch tied up in knots Not only did he know who left her that money he also knew the truth would break her heart He d gotten too close to his beautiful client to hurt her now but how could he keep her secrets to himself *Romulus* Marc Hyden,2020-09-30 Hyden leans into a tone reminiscent of a bard regaling those around a campfire with stories of a hero s great exploits He tells a fascinating origin story Booklist According to legend Romulus was born to a Vestal Virgin and left for dead as an infant near the Tiber River His life nearly ended as quickly as it began but fate had other plans A humble shepherd rescued the child and helped raise him into manhood As Romulus grew older he fearlessly engaged in a series of perilous adventures that ultimately culminated in Rome s founding and he became its fabled first king Establishing a new city had its price and Romulus was forced to defend the nascent community As he tirelessly safeguarded Rome Romulus proved that he was a competent leader and talented general Yet he also harbored a dark side which reared its head in many ways and tainted his legacy but despite all of his misdeeds redemption and subsequent triumphs were usually within his grasp Indeed he is an example of how greatness is sometimes born of disgrace Regardless of his foreboding flaws Rome allegedly existed because of him and became massively successful As the centuries passed the Romans never forgot their celebrated founder This is the story that many ancient Romans believed **Sermons in 1 & 2 Corinthians** R. J. Rushdoony,2023-06-09 Rushdoony s Sermons in First and Second Corinthians are the last of his Biblical commentaries delivered shortly before his passing but it represents a fitting close to his teaching ministry He said Paul s letters are difficult to preach on because they speak to the sins of Christians and with the church at Corinth the long list of sins included division strife injustice immorality doctrinal error and the abuse of the sacraments Despite their many transgressions the apostle Paul still addresses the believers at Corinth as saints and referred to their gathered community as the church of the Lord Jesus Christ They were still Christ s embassy on earth They could still develop into a greater training center for Christian action This is why Paul s letters to the Corinthians are relevant to the church today and it s also why Rushdoony s sermons on these two epistles are invaluable to us now Rushdoony was criticized for his ecclesiology but only because he always saw the greater fact of God s advancing Kingdom and the church as the equipping center for the saints Rushdoony s fresh application of Paul s warnings and admonitions will help Christians pastors and churches to free themselves of the same sins and return to the church as an embassy of the Kingdom **THE NEED FOR A GODLY SOCIAL ORDER** The church could not hope in time to rule the world if it could not rule itself It was thus very important for Paul to bring the Corinthians back into obedience to God s law among other things The apostle Paul was an envoy to the ekklesia of

Jesus Christ those who are called to establish God s Kingdom on earth Therefore the importance of his patience correction and instruction could not be diminished if he were to be faithful to the One who sent him The church is Christ s embassy to earth to reclaim what belongs to Him Against the backdrop of a history filled with hatred for God and hatred of all that is holy our greater calling is the establishing of a godly social order and this commentary by Rushdoony is a welcomed text to help equip us for that great responsibility *Commentaries on the Law of Infancy* Ransom Hebbard Tyler,1868 *Rose Creek Ranch* Ann Laurel, **Report to the United Nations on the Administration of the Trust Territory of the Pacific Islands, Transmitted by the United States of America** United States.
