The Naked Preacher Jason C. Boyd,2018-03-29 This new volume in the SCM Research series argues that both preaching and Action Research are inherently exposing practices They require a deep level of self consciousness and a willingness to hold oneself up to critique and comment But at their best they are both formed within a deep and supportive critical community Applying a methodology rooted in Action Research as way of Doing Theology ART and drawn from the author's own research within a specific community of practice The Naked Preacher demonstrates for preachers and ministers new ways to be critically and constructively self aware It also offers an important contribution for practical theologians with an interest in action research and critical reflection
