## **Emotional Intelligence Workbook Global Trend:**

The Emotional Nature of Qualitative Research Kathleen Gilbert,2000-09-28 This book focuses on the place and purpose of emotions in the research process and explores the appropriate boundaries. Designed to explore how to manage the emotional content of research, the text serves as a supplemental to qualitative research method courses and is an excellent reference for the professional as well.

Culture, Leadership, and Organizations Adebowale Akande,2026-02-02 *Culture, Leadership and Organization Embracing the Complexity of Leadership* presents a comprehensive analysis of contemporary issues in leadership, people, and management across organizations. This book explores the critical interplay between diverse perspectives, meaningful relationships, and the ever-evolving landscape of global business, highlighting the essential traits and competencies that distinguish exemplary leaders. Through twenty-eight detailed chapters contributed by scholars and experts, it unravels the intricate connections between political influence, leadership styles, and organizational performance, providing valuable insights for navigating complex power structures and interpersonal relationships effectively. This book bridges the gap between theoretical frameworks and practical leadership challenges, offering a fresh perspective on transforming organizations and fostering inclusive, transformational leadership styles that drive unity and success. It provides detailed case studies to illustrate theoretical concepts in real-world organizational settings, addresses the influence of cultural backgrounds, work culture, legitimization, office politics, and career progression to help understand workplace political dynamics, examines the underlying processes of unique organizational dynamics, and offers a detailed perspective on organizational behavior and development, enhancing readers' comprehension of leadership and management intricacies. It discusses the effects of artificial intelligence on productivity, work relationships, and governance, making it relevant to contemporary organizational discussions and reforms.
