The Word Is:

The Word is Out Chris R. Glaser, 2012-08-21 Though many think of the Bible as monolithic that is of a single point of view the Bible is rather a compendium of viewpoints on a variety of issues To enter the Bible is like entering any community there may be some common beliefs but there is also disagreement The dialogue of the Bible therefore invites rather than inhibits further conversation Lesbians and gay men know all too well the experience of having to leave families friends hometowns and even their faith traditions to be blessed as they are Nevertheless many still struggle to maintain an authentic faith that also affirms and recognizes their right to joyously celebrate their biblical heritage Chris Glaser liberates the Bible from those who would hold it hostage to an anti gay agenda In this inspiring and moving collection of 365 daily meditations the Bible's good news comes out to meet us all with love justice meaning and hope
