T acts as a key to unlock a treasure chest of dormant mental physical abilities and enhanced personal performance capability within whomever follows its simple instructions. Readers enjoy a sense of exhilaration as they feel themselves immediately grow stronger, faster, smarter, tougher, and sharper. They are then guided in focusing their enhanced personal power for greater achievement, self-development, and super-motivating inner flow. IT's methods are based, easy to learn, quickly implemented, and extremely effective, yet remain little understood and underutilized by the people who could benefit the most. These are people who acknowledge that their financial compensation and level of success depend on their own personal creativity, initiative, and productivity. Individuals adventurous enough to experience a bold system of self-development that utilizes modern Western behavioral science techniques proven to enhance and sustain performance and motivation, and action-oriented people willing to explore the inner technology of ancient Eastern martial arts and philosophy for developing laser-like concentration, mental clarity, personal power, and the fighting spirit needed to win life's battles. **WARNING:** The author has determined that exposure to this book can be hazardous to self-limiting beliefs. This information has been shown to cause an uncontrollable urge in test subjects to succeed from the inside out and achieve a more affluent, secure future for themselves and their loved ones.
