That Eye The Sky Paperback:

That Eye, the Sky Tim Winton, 2011-05-09 Tim Winton's *That Eye the Sky* is a tale about a boy's vision of the world beyond and the blurry distinctions between the natural and supernatural. At twelve years old Morton Ort for short is not quite a child but not yet an adult his isolated outback world is an intriguing combination of boyish innocence adolescent confusion and burgeoning awareness. When his father is seriously injured in a car crash however that world is suddenly thrown into complete disarray and the whole family have to adjust. As Ort his sister mother and grandmother are struggling to come to terms with what has happened a stranger appears in their midst. Preaching God's word Henry Warburton's unexpected arrival seems eerily prescient at a time when the family most need a helping hand and Henry quickly makes himself indispensable. In fact for Ort in particular it is Henry's presence perhaps more even than his father's accident that brings the greatest change to his world. The great strength of the novel is in the way the grotesque contrasts and parallels in human life are spread out examined and accepted. *Los Angeles Times*

IN THE SKY SITS AN EYE! Mike Fox, 2016-09-06 The story opens with tragedy on both sides of the world in the USA a US pilot by the name of Tyler is grief stricken by a tragic turn of events in Iraq. Husna loses her husband and two young sons in a drone strike. Ironically Tyler is a drone operator on Creech Airbase in Nevada waking up with dreams of blood and gore as the psychological stresses of this 21st century killing mode takes its toll on his mental health. Husna a beautiful woman is on a mission of revenge she sets off for the USA determined to kill as many Americans as she can. She is chillingly clinical as she starts her killing spree in mainland America. At first the police think they are searching for a serial killer. In a way they are but soon discover there is something extra about these gruesome murders. She's a serial killer with attitude. She's also beautiful and dangerous. Fueled by a consuming and bitter need for revenge she leaves Iraq for the USA. Her objective is simple to kill as many Americans as she can. [Chronicles of the Blue Sky Book 1: The Snake Crest](#)

Rys Goguen, 2019-06-11 Ever since their growth on the planet a species known as the Bloodrunner have been acting out trying to start a storm among the human race who had terraformed their home. A young student in university Matt Delarosa had been forced into the mess of these Bloodrunners and the world around them. Not only that he's been forced into the middle of a conflict with the men who hunt these creatures for sport and for the game. The Crescent Hunters. With various friends allies and foes all around Matt has yet to realize the world he has just been forced into. With the help of whoever can truly call themselves a friend will they be able to overcome the Bloodrunners who are storming about a mysterious underground gang who wear masks to hide from society and a monster hiding in the midst of the Snake Crest.
