The Partakers Robert G. Tuttle,1977-02-01 **The Partakers** Robert G. Tuttle,1974 **Substances and Universals in Aristotle's Metaphysics** Theodore Scaltsas,2010 In this book Theodore Scaltsas brings the insights of contemporary philosophy to bear on a classic problem in metaphysics that stems from Aristotle's theory of substance Scaltsas provides an analysis of the enigmatic notions of potentiality and actuality which he uses to explain Aristotle's substantial holism by showing how the concrete and the abstract parts of a substance form a dynamic diachronic whole Performance Studies Richard Schechner,2017-07-14 Richard Schechner is a pioneer of Performance Studies A scholar theatre director editor and playwright he is University Professor of Performance Studies at the Tisch School of the Arts at New York University and Editor of TDR The Journal of Performance Studies He is the author of Public Domain 1969 Environmental Theater 1973 The End of Humanism 1982 Performance Theory 2003 Routledge Between Theater and Anthropology 1985 The Future of Ritual 1993 Routledge and Over Under and Around Essays on Performance and Culture 2004 His books have been translated into French Spanish Korean Chinese Japanese Serbo Croat German Italian Hungarian Bulgarian and Polish He is the general editor of the Worlds of Performance series published by Routledge and the co editor of the Enactments series published by Seagull Books Sara Brady is Assistant Professor at Bronx Community College of the City University of New York CUNY She is author of Performance Politics and the War on Terror 2012 **The Apostolic Liturgy and the Epistle to the Hebrews** John Edward Field,1882 **Appenzell** Irving Berdine Richman,1895 The ordinances of Christian worship, as delivered in the New Testament Henry Webb (writer on the Church.),1873 **Balthasar Hubmaier's Doctrine of Salvation in Dynamic and Relational Perspective** ChangKyu Kim,2013-08-12 This book aims to explore the meaning of salvation in Balthasar Hubmaier's theology Previous research has tended to explain and evaluate his theology by locating his identity among contemporary Anabaptists Moreover Hubmaier's theology has been variously labeled as Catholic Anabaptist Magisterial Anabaptist or as a bridge between the Radical and Magisterial branches of the Reformation These approaches to Hubmaier's theology essentially depend on a static and transactional perspective where the result comes from the cause Such an approach cannot fully explain the distinctive features of Hubmaier's theology because his theology had multiple rather than single influences To understand Hubmaier's theology we need to focus on his motive and purpose in writing rather than external influences This volume attempts to explore a new understanding of Hubmaier's theology reflecting a necessary change in our paradigmatic methodologies This fresh perspective helps us see that Hubmaier's theology was not static and transactional but dynamic and relational As Hubmaier's main purpose was to give readers a proper understanding of soteriology his writings were written from this perspective concentrating on salvation This volume aims to enable the reader to access this unique understanding of soteriology by examining his primary texts in three categories free will baptism and the Lord's Supper To understand Hubmaier's theology through a new methodology leads us to rethink the meaning of
