*Haggai, Zechariah, and Malachi* James Thomas Lee, Jr, 2025-08-16 In this third and final part of the study of the Minor Prophets the writings of the Prophets Zephaniah Haggai Zechariah and Malachi are examined With Zephaniah one can examine the prophecies against and the warnings to Philistia Moab Ammon Ethiopia Assyria and Judah With Haggai one can read about the people who had returned to Jerusalem from Babylon being caught up in their own interests and priorities rather than in the things of the Lord For one thing they had built themselves nice homes But they had not rebuilt the temple that had been destroyed by Nebuchadnezzar in 586 BC So Haggai was dispatched to the scene to pump up the people and get them started on the temple With the Prophet Zechariah one can see the eight visions that the Lord had given him Then one can also see some other prophecies that he had made that were relevant to the times to the First Coming of Jesus to the Second Coming of Jesus and to the Millennial kingdom With Malachi one can read the words of the final Minor Prophet to the children of Israel They had returned from Babylon and had not paid their tithes That had forced the priests into the fields so that they could earn their living The problem with that is that the work of the temple was being ignored Malachi and Nehemiah had lived at the same time So Nehemiah was also involved with the tithes not being paid and with the work of the temple being ignored So some of that will be discussed in this text with the examination of the book of Malachi Not only was Malachi shown as the last Minor Prophet but he was also actually the last prophet in Israel to write scriptures for the Old Testament After he was gone the Lord remained silent to His people until the coming of Jesus about four hundred years later In every part of the Bible one can learn some important truths The book of Psalms for example is a collection of experiential writings by its different authors If one is having a bad day then he or she can find the writings of many psalmists who were having bad days If one is depressed or troubled then similar writings can be found in the book of Psalms The book of Proverbs is the book of wisdom Follow its teachings and bypass many of the troubled paths of this life In the book of Genesis one can find how everything in this world got started In the book of Revelation one can see how it will all end In the history books of the scriptures one can see how the Lord has worked through the children of Israel for the two thousand years before the Incarnation of Jesus In the books of the prophets one can see how the Lord had sent His messengers to the world to warn its people when they were headed in the wrong direction He is still sending such people to the world today So every part of the Bible has truth and value for those who are looking for such things **Habakkuk, Problems of Faith; Zephaniah, the Day of the Lord; Haggai, Rebuilding the Temple; Malachi, Formal Worship** Charles Lee Feinberg, 2012-09-01

Rushdoony, 2023-06-09 We live in an age of practical atheism where men pay lip service to God and then do as they please Our time is marked by a failure to meet our responsibility while believing that nothing will happen that God will not judge His church as He s judged His people throughout history As we know judgment begins at the house of God because the church bears the greater burden of guilt for possessing the greater privileges of God s covenant grace salvation and courage We

must take our lesson from Jerusalem of old to whom God sent prophets like Zephaniah Haggai and Zechariah to remind them of their covenant responsibility to provide the standard and word to the wicked nations around them In this volume R J Rushdoony brings out the two edged sword of God s law word through these three minor prophets to both warn and encourage us to greater faithfulness and ministry Like the faithful in ancient Jerusalem we can feel small marginalized and peripheral to history but Rushdoony reminds us that our security and effectiveness are determined by the God who controls history and not the evil machinations of men In this book is the message of hope that we desperately need right now To continue the great work of Christian Reconstruction we must walk by faith and not focus on the smallness of our efforts or our seemingly small results We must set our hearts and minds on the reality of God s promises and know that all power and dominion are in His hands What we cannot do God does not ask us to do What we can do God requires us to do We must stand in obedience to God and fulfill our responsibility to be faithful in our duty and calling as workers parents ministers and churchmen As heirs together of the grace of life 1 Peter 3 7 our obedience helps our prayers to be heard and God s judgment to be enacted The future belongs to the dedicated minorities who commit themselves to God and His Word while not despising the day of small things This is how we face the world of our day *Zephaniah and Haggai* J.
