Witness To War Richard Aldrich, 2014-07-30 WITNESS TO WAR is an eye opening retelling of the war experience through the private diaries kept by people from all walks of life and from many countries The twentieth century s Second World War announced its arrival from a distance and as early as spring 1938 city dwellers across Europe expected destruction on an epic scale Men women and children most of whom had never kept a diary before began to chronicle their own responses to what they knew would be a unique moment in world history The cast of characters represented in these diaries more than three hundred in number ranges from politicians soldiers and spies to ordinary citizens and housewives from a London schoolboy watching V 1 doodlebugs from his bedroom window to an interned German refugee robbed and beaten by British troops Many others are famous and this collection includes rare material from figures such as Joseph Goebbels Joyce Grenfell Jean Paul Sartre Evelyn Waugh and No l Coward It also contains the insights of many who were close to Winston Churchill and Adolf Hitler Most of these diaries involved a degree of danger and secrecy In occupied Europe a captured diary could betray friends and relatives to the enemy Some were downright illegal such as those kept by soldiers on the front line More than half a century after the end of the war these hidden treasures the voices of the past are still being unearthed Many of these accounts languished unread unpublished and gathering dust in scholarly archives around the world Richard Aldrich has devoted two decades to sustained research in more than a dozen countries This is war at first hand described in the most immediate terms not mediated through the voice of peripheral observers or shaded by fading memory or political allegiances

British Armoured Divisions and Their Commanders, 1939-1945 Richard Doherty, 2013-07-16 A total of eleven British armoured divisions were formed during the 1939-1945 war but as this highly informative book reveals just eight saw action In 1940 only 1st Armoured Division faced the German blitzkrieg and it was in the North African desert that armoured divisions came into their own The terrain was ideal and six such divisions of Eighth Army fought Rommel's Panzers into submission Three were disbanded prior to the invasion of Sicily and Italy The campaign from D Day onwards saw the Guards Armoured 7th Armoured the Desert Rats 11th and Percy Hobart's 79th Armoured Division in the thick of the action Of particular interest are the men who commanded these elite formations and the way their characters contributed to the outcome of operations While some such as Dick McCreery went onto greater heights others did not make the grade the stakes were high A number such as Pip Roberts were just perfectly suited in the role Written by a leading military historian this book describes many fascinating aspects of armoured warfare from its uncertain beginnings through the development of tactics and the evolving tank design Due to British deficiencies reliance had to be placed on US Grants and Shermans with the Comet coming late and the Centurion too late The combination of gripping historical narrative and well researched fact make this an invaluable and highly readable work on the contribution of British Armoured Divisions to victory in the Second World War

Winning and Losing on the Western Front Jonathan Boff, 2012-07-05 The Hundred Days campaign of 1918 remains a neglected aspect of the First World War Why was the German army defeated on the Western Front Did its morale collapse or was it beaten by the improved military effectiveness of a British army which had climbed a painful learning curve towards modern combined arms warfare This revealing insight into the crucial final months of the First World War uses state of the art methodology to present a rounded case study of the ability of both armies to adapt to the changing realities they faced Jonathan Boff draws on both British and German archival sources some of them previously unseen to examine how representative armies fought during the Hundred Days campaign Assessing how far the application of modern warfare underpinned the British army's part in the Allied victory the book highlights the complexity of

modern warfare and the role of organisational behaviour within it **Margot Asquith's Great War Diary 1914-1916**

Michael Brock, Eleanor Brock, 2014-06-26 Margot Asquith was the wife of Herbert Henry Asquith the Liberal Prime Minister who led Britain into war in August 1914 Asquith's early war leadership drew praise from all quarters but in December 1916 he was forced from office in a palace coup and replaced by Lloyd George whose career he had done so much to promote Margot had both the literary gifts and the vantage point to create in her diary of these years a compelling record of her husband's fall from grace An intellectual socialite with the airs if not the lineage of an aristocrat Margot was both a spectator and a participant in the events she describes and in public affairs could be an ally or an embarrassment sometimes both Her diary vividly evokes the wartime milieu as experienced in 10 Downing Street and describes the great political battles that lay behind the warfare on the Western Front in which Asquith would himself lose his eldest son The writing teems with character sketches including Lloyd George a natural adventurer who may make or mar himself any day Churchill Winston's vanity is septic and Kitchener a man brutal by nature and by pose Never previously published this candid witty and worldly diary gives us a unique insider's view of the centre of power and an introduction by Michael Brock in addition to explanatory footnotes and appendices written with his wife Eleanor provide the context and background information we need to appreciate them to the full

intense missives capture the immediacy horror and pathos of wars that span the centuries From this remarkable cross section of contributors Josef Goebbels Anais Nin Florence Nightingale Samuel Pepys and Salam Pax to name just a few Irene and Alan Taylor bring unprecedented insight into what has been described as the most exciting and dramatic thing in life and the universal perversion war This book is a unique gift for history enthusiasts everywhere *St Helens Pals War Diary* David Risley,2016-12-22 The Great War Diary of the St Helens Pals the 11th Battalion South Lancashire Regiment following their journey through France and Flanders from 1914 to 1918
