SOLICIAN

Donald D. Thompson

The Final Solician

JA Banks

The Final Solician:

The Final Solician Donald D. Thompson, 2002-06-25 *The Final Solician* is book one in a ten part series called *The Sol Chronicles*. The first book chronicles man's escape from the harsh conditions of the planet called Mercury and their reestablishment on the planet that they named Venus. Led by Morta Vika and the Solician Zach, some of the humans escape from their harsh world to a newer and a better place. But a new world brings with it new problems that threaten the existence of man. Past lessons are long forgotten and the people must learn some basic survival skills all over again. The humans had forgotten what had brought them to this remote part of the universe in the first place and they had no idea why Mercury had been the perfect hiding place for so long. The idea of other intelligence never even occurred to them. This first chapter in the reeducation of human kind sets the tone for what is to come again.

Armageddon Donald D. Thompson, 2004 *Armageddon* is book four of *The Sol Chronicles*. It is the story of Kent Kent is a young ship's Captain who is sucked into the politics of his home world *Armageddon*. The Willites and the Robbites have long provided a balance of power on their world in a system that has always worked until now. Political intrigue, deceit, and murder become a way of life. The colony on Earth is destroyed and his enemies imprison Kent. As all of this is going on, the time bomb called *Armageddon* is set to explode and no one knows it. Mankind could well be destined for extinction on a world they consider safe and secure. A plot to free Kent and Aurora is developed and executed before the surprise of the galaxy can occur. Will there be anyone left to represent mankind in the future?

Suze Donald Thompson, 2004-10 *Suze* is book five of *The Sol Chronicles*. It is the story of a young girl taken at birth and raised on Ganymede in a government run education system. War breaks out between the moons of Jupiter and *Suze* eventually is returned to Jupiter as one of the Ganymede troops in the war against the Callistans. Soon after her arrival, *Suze* is wounded and left for dead. She is found by the Jovians and nursed back to health only to discover that the sauruses of the world believe her to be the one who can save mankind from a final extinction. Through the education given to her by the sauruses, *Suze* comes to realize her full potential and her fate. She only wishes that she would be the Savior of the human race. Only time will reveal the truth of the ancient saurus prophecy. Is mankind again doomed or can it be saved by the young girl chosen by the sauruses? Will the human race finally be turned from a path of destruction? Or will the blight on the Universe be allowed to continue?

Thena's Boy Donald Thompson, 2003-06 *Thena's Boy* is book three of *The Sol Chronicles* and it is the story of Mart. Mart is the young Prince of the Martian people who were sent into exile by the Venetian Rand. The Mortans had become Martians but they were not the first. The true Martians were their four legged companions who developed deep bonds with the humans and their fierce warrior cousins. A split occurred long ago between the two true branches and the friendly true Martians kept the humans safely away from their cousins. Nothing had changed for the humans since their arrival on Mars. They continued to eke out an existence similar to what they had done on their arrival. Mart and his two cousins, Will and Robb, were determined to change that. With the help of their Martian companions, they succeeded. Their

success would serve to set the stage for all that would come to the rest of Sol's planetary system. They could not know the future consequences.
