## **The Final Solution:**

**Hitler and the Final Solution** Gerald Fleming, 1987-02-11 Pp vii xxxiii contain Friedl nder s introduction which did not appear in the original German edition [The Origins of the Final Solution](#) Christopher R. Browning, 2007-05-01 This groundbreaking work is the most detailed carefully researched and comprehensive analysis of the evolution of Nazi policy from the persecution and ethnic cleansing of Jews in 1939 to the Final Solution of the Holocaust in 1942 **The Architect of Genocide: Himmler and the Final Solution** Richard Breitman, 2022-09-05 A historian s carefully researched work based on a vast array of sources documenting Hitler s and Himmler s responsibility for the murder of European Jewry The book details the planning and the improvisations but emphasizes the former and Himmler s fanatical hatred of the Jewish race as the determinative cause of the Holocaust Dealing with a charged controversy Breitman makes a powerful case that by March 1941 the Final Solution was just a matter of time and timing i e that the Holocaust was not a reflex of Hitler s fear that the war in Russia could not be won Breitman argues that the Wannsee Conference merely ratified the plans and instructed other agencies to cooperate Breitman records the instances of resistance or opposition but notes that of course the cooperation of thousands many still alive and never tried and the complicity or silence of millions were needed to carry out the murder the book concludes that Himmler s brutality was more learned than instinctive or emotional a methodical murderer impelled by racist dogma Foreign Affairs Breitman s book is decisively important It should serve for years to come as required reading for all who wish to make sense of the Holocaust Daniel Jonah Goldhagen *The New Republic* Looking nothing like the Nordic ideal he advocated Heinrich Himmler chief of the Nazi SS was short flabby and balding his dull pedantic exterior disguising the caustic cowardly Machiavellian immensely cruel master of deceit within Breitman presents compelling evidence that the extermination of Jews was an early goal of Himmler a Bavarian and lapsed Catholic and his boss Adolf Hitler Drawing on previously untapped German records as well as other source materials this engrossing detailed study constitutes a powerful refutation of revisionist scholars who claim that Hitler did not plan the Final Solution in advance but instead improvised it out of either military or political frustration *Publishers Weekly* A truly path breaking book one of the few that will have a lasting impact on historical research of the period It shows both the primacy of Hitler as the motivating force in the mass murder and the way in which his initiatives were accepted and internalized by the SS on the basis of ideology *Holocaust and Genocide Studies* Chilling expert history *Kirkus* A n eminently sensible and judicious study that could well serve as a textbook on the topic The Historian Breitman s research is meticulous Especially valuable are his novel insights into the full and frequent communication between Himmler and Hitler who it is known seldom signed an order Mr Breitman presents his arguments cogently *Michael H Kater The New York Times* An absorbing important book that addresses the sequence of steps leading to the Final Solution *Financial Times* As Breitman persuasively demonstrates the situation kept changing but Hitler was always in charge and his goals always included ridding his empire of the Jews *Los Angeles Times*

Breitman is on the hunt for smoking guns He finds the goods littered throughout Himmler s speeches and conversations Breitman shows that people knew Washington Post Book World The book is chillingly good on the uses and abuses of language to mask atrocity Newsday Breitman s study is an important addition to the literature on the origins of the Nazi genocide one that provides the most likely scenario and settles important disputed questions Breitman s study is a major step forward in our understanding of how the Nazis initiated mass murder German Studies Review An important book I much admire this work particularly for its resourceful combing of primary material there is much to learn from this book about the Final Solution its origins its implementation and its hate inspired architect The American Historical Review *Hitler, the Germans, and the Final Solution* Ian Kershaw,2008-05-28 This volume presents a comprehensive multifaceted picture both of the destructive dynamic of the Nazi leadership and of the attitudes and behavior of ordinary Germans as the persecution of the Jews spiraled into total genocide Middle East: Blueprint for the Final Solution Mike M. Joseph,2004-05-14 The Middle East conflict originated literally in the womb of a beautiful woman Rebekah Isaac s wife Her struggling twins from their mother s womb have often engaged in a love hate embrace scorching their lands with periodic eruptions of bloody conflicts Their descendants though gradually lost their identity have spread their struggle for the global inheritance into Europe the Americas and elsewhere The march of Islam of Muhammad the man of the sword the present Jew arab conflict the Persian Gulf menace fanatic Islamic world terrorism and their main target the West are a direct result of the twins struggle which begun while in their mother s womb Human history and its future can t be fully comprehended without correct understanding of the roots and turbulent history of the struggling twins You the reader are destined regardless of your ethnic background and religion to soon experience the final consequences and glorious triumph of this age long bloody conflict Through the pages of this work the author takes you on a fascinating journey of the Biblical and historic records which faithfully traced the stormy blazing trails of the struggling twins from the inception of the conflict to its glorious final solution
