The Unauthorized Autobiography of an Unknown Person Ken Gascon, 2011-01-19 Weird title isn't it One would think that I did not give myself permission to write about myself or the world forbade people to read about me Ever since I can remember and that I can assure you has been many years of remembrance people have been writing and reading about this personality and that celebrity and that famous or infamous person But no one has or was interested in reading about a person with no personality and no status a complete unknown It is as if No One was authorized to read about Nothing regarding a Nobody or as Samuel Clemens would put it Much Ado About Nothing Well here is your chance and whatever the case you be the judge of this narrative

Lemony Snicket: The Unauthorized Autobiography Lemony Snicket, 2003-05-01 A Series of Unfortunate Events

X-Ray Ray Davies, 2007-10-30 Like his songs Davies's book is alternately poignant funny and bawdy indispensable for Kinks fans and recommended for anyone interested in 1960s pop music Library Journal This subversively brilliant one of a kind rock autobiography is ingeniously styled as a biography written by a nameless faceless writer hired by an Orwellian entity called the Corporation to capture the essence of Ray Davies lead singer and songwriter of the Kinks and one of the greatest rock and rollers of all time The Kinks frontman reveals his life and times to the young writer often seemingly passing his stories directly into the writer's consciousness Carnaby Street Top of the Pops the Cavern Club the Beatles the Rolling Stones the Who and other fixtures of the times fade in and out of this compelling narrative Part autobiography part social history part psychological thriller this elusive and daring book exposes rock stardom as the heaven hell and purgatory it is In an age when everybody's in show business and writes a lousy book about it Ray Davies is to be

honored for not doing the usual thing We would expect no less of him Rolling Stone A major addition to pop culture literature

Close Calls Jeremiah Reedy,2009-12-29 The title of these memoirs may suggest that I wrote them against my will That would be only half right A part of me wanted to write an account of my life and another part of me opposed doing so In the end I overcame my misgivings and went ahead I realize that writing one s memoirs may sound pretentious since it used to be that only important people such as former presidents and retired diplomats did so This is no longer the case there are now kids of twenty five who are writing memoirs There are several advantages in recording one s memoirs instead of writing history For one thing readers can always criticize the historian if they find errors of fact The memoirist is however incorrigible in the original Latin sense of the word since no one can say That s not how you remember that event Another advantage is that it doesn t require a lot of research I have written fifteen page scholarly articles that have sixty five footnotes I ve sometimes read whole books just to support one sentence with one footnote For a long time I ve thought how much fun it would be to write something that wouldn t require months of research and it was fun Anyone who relaxes closes his eyes and travels back in time will be astounded to discover how much is stored deep down in the recesses of the mind I made outlines and drafts full of abbreviations and then I dictated to my computer using MacSpeech Dictate It s wonderful to speak and see the words appear on the screen Of course the first draft required extensive editing for many reasons but I enjoyed that too In a sense I only did what grandparents have done since tape recorders were invented but now technology enables us to turn it into a book The bare bones non scintillating style of what I have produced is partially due to the fact that it was dictated I could have spent months or even years polishing what I have written but as the poet Andrew Marvell put it At my back I always hear Time s winged chariot hurrying near I mainly have my grandchildren in mind as an audience but it may be that other relatives and even some friends will find the end product diverting I have no illusions about any widespread interest and I certainly don t expect to sell any copies or earn any royalties If there is a pattern to my life it is that Divine Providence repeatedly saved me from my own foolishness Time and again I wanted something desperately and didn t get it only to find that God had something much better in store for me There were many more close calls than I discuss herein many too frightening to contemplate or record Looking at what I ve accomplished in another way a cynical friend once told me I haven t done as well as my friends expected but I ve done better than my enemies hoped There is much to be thankful for My teacher Elizabeth Jarrett Andrew read a draft of the manuscript and made many valuable suggestions It is a pleasure to thank her publicly for her assistance and inspiration
