relocated closer to London in 1877 while still writing to support his wife and two kids Though he was both unwell and penniless the years from 1882 until his death in 1887 were when he was most creative After London Richard Jefferies,2015-11-17 After London can be seen as an early example of post apocalyptic fiction after some sudden and unspecified catastrophe has depopulated England the countryside reverts to nature and the few survivors to a quasi medieval way of life **Seven Days** G. Jefferies novel can be seen as an early example of post apocalyptic fiction After some sudden and unspecified catastrophe has depopulated England the countryside reverts to nature and the few survivors to a quasi medieval way of life The first part The Relapse into Barbarism is the account by some later historian of the fall of civilisation and its consequences with a loving description of nature reclaiming England The second part Wild England is an adventure set many years later in the wild landscape and society

Flowers of Time Mark Payne,2020-10-27 For all of its current popularity contemporary apocalyptic fiction novels set during or after events that devastate the world as we know it is part of a long tradition that includes the Biblical story of Noah the epic of Gilgamesh and the Works and Days of the ancient Greek poet Hesiod as well as the vast array of modern examples In this short essayistic book the author focuses on twentieth and twenty first century fiction in which new forms of life emerge from catastrophe how the survivors adapt to the altered conditions of existence and the various ways in which the past asserts its claims on them both the immediate past of the world that was lost and the deep past of prehistory and imagination that returns with this loss In Payne s view post apocalyptic fiction is political theory in fictional form Instead of producing arguments in favor of a particular form of life it shows what it would be like to live that life In a world in which there is no more capitalism and no more nation state characters have to relearn basic survival skills and return to earlier forms of social life They acquire new capabilities which bring new satisfactions they could not have anticipated in the world that is gone In the post apocalyptic world they disentangle themselves from old ways of thinking and their misconceptions of human happiness In this way Payne argues post apocalyptic fiction is the pastoral of our time The individualism and small scale social relations of post apocalyptic fiction are not naive but instead the necessary ground for choosing the freedoms and capabilities readers would want to see preserved in any future collective that might emerge from them

Perdition's Storm Brian Trent,2025-11-04 ZOMBIES MEET THE MAFIA IN JOHN RINGO S BLACK TIDE RISING UNIVERSE AUTHORED BY A RISING STAR IN SCIENCE FICTION BRIAN TRENT Before the world fell Silvio Cipriano was a contract killer for the Italian Mafia When the H7D3 virus came to Italy Silvio worked to forget his past to build a different future Fighting to protect his loved ones from the zombie hordes he organized the survivors raised them up from the ashes and gave them hope Now a new enemy has arisen Worse than the zombies and bent on conquering the planet one nation at a time they ve set their sights on Italy with no idea what s awaiting them At the publisher s request this title is sold without DRM Digital Rights Management Praise for Brian Trent Brian Trent is one of our very best new writers and now s the time to start reading him Robert J Sawyer bestselling and Hugo Award winning author Once begun Redspace Rising will grip you by the throat like its soldier protagonist grips his many enemies and compel you to read it all the way to its jubilant battered conclusion And you ll be very grateful Locus Gritty action packed and relentless Redspace Rising shows us a dark future in which battles are won but the war is never truly over Trent s follow up to Ten Thousand Thunders surpasses it in every way Andrea Stewart best selling author of The Bone Shard Daughter Ten Thousand Thunders is a remarkable book showcasing

many of Brian Trent's talents. He has created a believable and fascinating future visited it with a plot any science fiction writer would be proud to have created and most important populated it with believable motivated characters. Hats off to the new kid on the science fiction block Mike Resnick. 5 time Hugo Award winner Brian Trent has crafted an ingenious masterpiece of military sci fi. With its fast paced action, double crossing characters and focus on personal identity and memory, Redspace Rising is like a literary sci fi version of the Jason Bourne movie franchise with Brian Trent serving as the virtuoso cameraman documenting the gripping adventures of our proficient but broken hero. Grimdark Magazine Praise for Black Tide Rising. This anthology broadens Ringo's Black Tide world serving up doses of humanity amid the ravenous afflicted. Comedy has a place in this harsh reality and these stories stir adventure and emotion at a frantic clip throughout. Zombie fiction fans will be thrilled. Library Journal Praise for the Black Tide Rising Series. Not only has Ringo found a mostly unexplored corner of the zombie landscape, he's using the zombie frame to tackle a broader theme: the collapse and rebirth of civilization. The zombie scenes are exciting, sure, but it's the human story that keeps us involved. A fine series. Booklist *The Lady of Rapture* Sarah Raughley, 2025-04-29 Penny Dreadful meets The Gilded Wolves in this breathtaking finale to the young adult historical fantasy Bones of Ruin trilogy. For years the elite secret society called the Enlightenment Committee has waited for the apocalyptic force known as Hiva to destroy the world as it has so many times before. What the Committee didn't know however was that Hiva wasn't an event, it was a person. Iris Marlow. An African tightrope dancer with no memories of her past. A girl who cannot die. At least she couldn't die. Until her own friends discovered her one weakness and murdered her once and for all. The world ending threat she posed should be gone too, but there's one more Hiva out there and unlike Iris, this one has no love for humanity. In her absence, this Hiva has taken it upon himself to judge if humanity deserves to live. But when it comes to Hiva's judgment, it is always the same. The ending is always total destruction. And while Iris is dead, she's not gone and after the betrayal that ended her life as Iris, she is now out for revenge. The world's days are numbered. The Cataclysm has begun. *Nova Jones* L. E.
