Unwilling Guest:

An Unwilling Guest Grace Livingston Hill, 2019-09-02 Evelyn Rutherford a New York society beauty decides to visit her aunt who lives in the country for the summer. When her aunt falls ill, Evelyn becomes the unwilling guest of a neighbouring family. What Evelyn thought will be a boring summer turned up to be a spiritual journey where she discovered the truth about herself and God. *The Unwilling Guest* Cynthia Powers, 1972

An Unwilling Guest Grace Livingston Hill, 2019 Evelyn Rutherford bored by life with her aunt in a quiet Ohio town finds herself attracted to Maurice Grey who has found peace of mind through his faith in God. *The Shuttle* Frances Hodgson Burnett, 2023-11-19 In *The Shuttle* Frances Hodgson Burnett crafts a richly woven narrative that explores the complex interplay of transatlantic relationships and the intricacies of identity in the late 19th century. The novel intricately juxtaposes the lives of American heiresses and British aristocracy against a backdrop of societal change, dexterously employing a lyrical style that enhances its themes of empowerment, resilience, and cultural clash. Burnett's deft characterizations invite readers into the emotional landscapes of her protagonists as they navigate love, ambition, and familial obligations, signifying the era's shifting dynamics concerning gender and class. Frances Hodgson Burnett, known for her insightful portrayals of childhood and class struggles, embedded her own experiences of migration and reinvention into the fabric of this story. Having emigrated from England to the United States, Burnett's perspectives on both cultures illuminate her narrative and propel her characters' development. Impressively, her prior works, coupled with her personal odyssey, equipped her with an authentic understanding of the tensions and triumphs that define her characters' journeys. *The Shuttle* is a compelling read for those interested in early feminist literature and social commentary. Readers will find Burnett's insights into the human spirit and the transformative power of love not only resonant but profoundly relevant today. This novel stands as a testament to her literary prowess and an exploration of identity that is just as impactful as it was a century ago.
