The Last Days Of Israel:

The Last Days James Roberts,2023-01-25 The Last Days Time Seals and Trumpets is separated into three unique sections The first section speaks of God s timeline of events from the creation of time until the destruction of the world The creation of time is discussed from both mankind s view of measuring time and God s view concerning time It also explores how modern theories such as Darwin s theory of evolution Einstein s theory of relativity and the big bang theory compare with what the Word of God states The second section is an in depth study of the book of Revelation with emphasis on the opening of the seals and the blowing of the trumpets And the third section is a topical study of end time subjects with scripture references for each topic This book is unique in that it ties Old Testament scriptures to the events surrounding the seals and trumpets mentioned in Revelation

The Last Days of Dispensationalism Alistair W. Donaldson,2010-10-28 How we understand God s future purposes for the world must shape to a significant degree how Christians live life in the present The decades since the publication of Hal Lindsey s The Late Great Planet Earth have seen a great deal of end times speculation Signs of the end time apocalypse occurring soon have been heralded across our radios televisions the internet and through written forms of media urging people to either be ready for the rapture or be left behind to endure the horrific suffering of the tribulation as God s end time program unfolds Is this really what the Bible teaches about the purposes of the God of whom our Bible declares so loved the world that he gave his only son in order that all things be reconciled The Last Days of Dispensationalism carefully examines this popular understanding known to us as dispensationalism and urges us to think again and to see within the Bible s grand salvation narrative and in the person of Jesus Christ a better message of redemptive hope for the future and a greater sense of meaning and purpose for the present
