The Subaltern Speak Michael W. Apple, Kristen L. Buras, 2013-01-11 The question of whose perspective experience and history is privileged in educational institutions has shaped curriculum debates for decades In this insightful collection Michael W Apple and Kristen L Buras interrogate the notion that some knowledge is worth more than others The Subaltern Speak combines an analysis of the ways in which various forms of power now operate with a specific focus on spaces in which subaltern groups act to reassert their own perceived identities cultures and histories *Empowering Subaltern Voices Through Education* Urmee Chakma, 2023-02-28 Based on a four year long empirical study this book employs contemporary theories from the Global South to investigate the role of education in the experience of migration and settlement of the Chakma people of Bangladesh in the city of Melbourne Australia Exploring the migration opportunities taken up by the Chakma and their efforts to retain promote and enrich their ethnic identity in Australia the book critically examines the importance of education for ethnic linguistic and religious minorities and the extent to which education helped the diasporic community in achieving a better and more secure life It also positions education as a tool to help revive maintain and enrich the importance of culture and tradition both in the home country and in the place of settlement and offers a theorisation of how the self directed pursuit of education can create opportunities for minority peoples to advocate human rights Indigenous recognition and criticise a state s failure to provide safety and security This book will be of interest to academics and postgraduate students researching in the fields of education diaspora studies Indigenous studies and migration studies Without History Jose Rabasa, 2010-06-27 On December 22 1997 forty five unarmed members of the indigenous organization Las Abejas The Bees were massacred during a prayer meeting in the village of Acteal Mexico The members of Las Abejas who are pacifists pledged their support to the Zapatista Army of National Liberation a primarily indigenous group that has declared war on the state of Mexico The massacre has been attributed to a paramilitary group composed of ordinary citizens acting on their own although eyewitnesses claim the attack was planned ahead of time and that the Mexican government was complicit In Without History Jose Rabasa contrasts indigenous accounts of the Acteal massacre and other events with state attempts to frame the past control subaltern populations and legitimize its own authority Rabasa offers new interpretations of the meaning of history from indigenous perspectives and develops the concept of a communal temporality that is not limited by time but rather exists within the individual community and culture as a living knowledge that links both past and present Due to a disconnection between indigenous and state accounts as well as the lack of archival materials many of which were destroyed by missionaries the indigenous remain outside of or without history according to most of Western discourse The continued practice of redefining native history perpetuates the subalternization of that history and maintains the specter of fabrication over reality Rabasa recalls the works of Marx Lenin and Gramsci as well as contemporary south Asian subalternists Ranajit Guha and Dipesh Chakrabarty among others He

incorporates their conceptions of communality insurgency resistance to hegemonic governments and the creation of autonomous spaces as strategies employed by indigenous groups around the globe but goes further in defining these strategies as millennial and deeply rooted in Mesoamerican antiquity For Rabasa these methods and the continuum of ancient indigenous consciousness are evidenced in present day events such as the Zapatista insurrection **Army and Navy Chronicle** ,1835 **The Queen's (King's) regulations and orders for the army. [With] Amendments** War office,1883 **Regulations for the militia** War office,1897 **The Subaltern** George Robert Gleig,1872 **The Queen's Regulations and Orders for the Army** Great Britain. War Office,1881 *Subaltern Studies* ,1992 *Subaltern Studies* Ranajit Guha,1992 Forty-one Years in India from Subaltern to Commander-in-Chief by Field-Marshal Frederick Sleigh Roberts [Roberts] Frederick Sleigh Roberts,1897 *Choice* ,2005 Recollections of a Highland Subaltern, During the Campaigns of the 93rd Highlanders in India, Under Colin Campbell, Lord Clyde, in 1857, 1858 and 1859 William Gordon Alexander,1898 **The British Subaltern. [A Novel]** Ex-Subaltern,1875 **Christian Interculture** Arun W. Jones,2021-01-27 Despite the remarkable growth of Christianity in Africa Asia and Latin America in the twentieth century there is a dearth of primary material produced by these Christians This volume explores the problem of writing the history of indigenous Christian communities in the Global South Many such indigenous Christian groups pass along knowledge orally and colonial forces have often not deemed their ideas and activities worth preserving In some instances documentation from these communities has been destroyed by people or nature Highlighting the creative solutions that historians have found to this problem the essays in this volume detail the strategies employed in discerning the perspectives ideas activities motives and agency of indigenous Christians The contributors approach the problem on a case by case basis acknowledging the impact of diverse geographical cultural political and ecclesiastical factors This volume will inspire historians of World Christianity to critically interrogate and imaginatively use existing Western and indigenous documentary material in writing the history of Christianity in Asia Africa the Americas and Oceania In addition to the editor the contributors to this volume include J J Carney Adrian Hermann Paul Kollman Kenneth Mills Esther Mombo Mrinalini Sebastian Christopher Vecsey Haruko Nawata Ward and Yanna Yannakakis *Subaltern Studies* Shahid Amin,Dipesh Chakrabarty,1997 *Subaltern Studies* IX carries forward the Subaltern agenda of searching for the voices and agency of the subaltern enlarging the focus to include contemporary issues of gender oppression and lumpenization in metropolitan modern India **Truth** ,1909 **Subaltern Studies: Muslims, Dalits, and the fabrications of history** Ranajit Guha,2005 **Public Acts Passed by the General Assembly** Connecticut,1871 **Acts and Laws of the State of Connecticut** Connecticut,1871
