Sublime Myth Makes Grotesque History:

Who Is This King of Glory? A Critical Study of the Christos-Messiah Tradition Alvin Kuhn, 2024-07-17 Alvin Kuhn's *Who Is This King of Glory: A Critical Study of the Christos Messiah Tradition* is a thought provoking and scholarly examination of the origins and evolution of the Christos Messiah concept. Kuhn, a distinguished philosopher and historian of religion, delves deeply into ancient texts, religious traditions, and historical contexts to unravel the complex and often misunderstood identity of the Messiah. Kuhn's book offers a comprehensive analysis of the Christos Messiah tradition, tracing its roots back to pre-Christian and pagan mythologies. He explores how ancient civilizations, including the Egyptians, Greeks, and Persians, influenced the development of the messianic figure that would later become central to Christian theology. Through meticulous research and critical insight, Kuhn sheds light on the syncretic nature of religious beliefs and the ways in which early Christian thinkers adopted and adapted existing myths and symbols. *Who Is This King of Glory* challenges conventional understandings of the Messiah by presenting a broader historical and cultural perspective. Kuhn examines the symbolic and allegorical meanings behind the Christ figure, emphasizing the spiritual and philosophical messages that transcend literal interpretations. His work encourages readers to consider the Christos not merely as a historical figure but as a universal archetype representing the divine potential within every human being. Kuhn's writing is both accessible and erudite, making complex ideas understandable for a wide audience. His critical approach invites readers to question traditional narratives and to explore the deeper spiritual truths that underpin religious traditions. The book is richly annotated with references to ancient texts, providing a valuable resource for further study. This compelling study not only enhances our understanding of religious history but also inspires a deeper appreciation for the timeless quest for spiritual enlightenment and the universal themes that connect humanity across cultures and epochs.

The Pagan Christ Tom Harpur, 2005-03-01 For centuries the church has taught us that the Bible is a literal representation of actual events and people from millennia ago. But is it possible that the events in the Bible never occurred, that all those people never existed? In a work sure to rattle the pews of even the most liberal of churches, ex-Anglican priest Tom Harpur contends that Christianity is built on a history that didn't happen upon a series of miracles that were never performed and on allegories scavenged from the teachings and myths of ancient cultures. Long before the advent of Christ, the Egyptians and other ancient societies believed in the coming of a messiah, in a Madonna and her child, a virgin birth, and the incarnation of the spirit made flesh. Civilisations as diverse as the Persians and the Aztecs shared the same religious doctrine as Christian churches today, long before the testaments were purportedly recorded as history. According to Harpur, the early Christian church accepted these ancient truths as the very tenets of Christianity and set about covering up all attempts to reveal any elements of the Bible as myth. What began as a belief system with the potential to transform the faith of millions has been twisted by blind literalism into a mind-numbing tradition of unquestioned belief in allegory and ritual. As he reconsiders a lifetime of worship and study, Harpur eloquently reveals a

cosmic faith built on universal truths His message is clear our blind faith in literalism is killing Christianity and dividing religions only a return to an inclusive belief system where Christ lives within each of us will save it Legacy ,1996
