Subversive Devotions:

Subversive Devotions Pat Youngdahl, 2003 *Subversive Devotions: Toward a Wholehearted Practice of Christian Faith (PHD)*. Patricia Youngdahl, 1996 **Manuscript Culture and Medieval Devotional Traditions** Jennifer N. Brown, Nicole R. Rice, 2021 Essays exploring the great religious and devotional works of the Middle Ages in their manuscript and other contexts **Devotions and Desires** Gillian A. Frank, Bethany Moreton, Heather R. White, 2018-02-06 At a moment when freedom of religion rhetoric fuels public debate it is easy to assume that sex and religion have faced each other in pitched battle throughout modern U S history Yet by tracking the nation s changing religious and sexual landscapes over the twentieth century this book challenges that zero sum account of sexuality locked in a struggle with religion It shows that religion played a central role in the history of sexuality in the United States shaping sexual politics communities and identities At the same time sexuality has left lipstick traces on American religious history From polyamory to pornography from birth control to the AIDS epidemic this book follows religious faiths and practices across a range of sacred spaces rabbinical seminaries African American missions Catholic schools pagan communes the YWCA and much more What emerges is the shared story of religion and sexuality and how both became wedded to American culture and politics The volume framed by a provocative introduction by Gillian Frank Bethany Moreton and Heather R White and a compelling afterword by John D Emilio features essays by Rebecca T Alpert and Jacob J Staub Rebecca L Davis Lynne Gerber Andrea R Jain Kathi Kern Rachel Kranson James P McCartin Samira K Mehta Daniel Rivers Whitney Strub Aiko Takeuchi Demirci Judith Weisenfeld and Neil J Young **Subversive Devotions** Lisa Anne Abend, 1998 **The One Year Shine Your Light Devotional** Chris Tiegreen, 2021-11 Bring the light and hope of Christ into your home your community and your world Scripture calls us to be lights in the world brightening and warming the lives of those around us But it seems the world is becoming more and more closed off to the hope and promise of faith How do we live out the light of Christ showing His love to the people who need it most In *The One Year Salt and Light Devotional* beloved author Chris Tiegreen provides inspiration and insight for cultivating a faith that begins deep inside and works its way out offering glimpses of God wherever we go Through each day s reading God will encourage you move you and use you in surprising ways to bless the people in your life with His wisdom power and love Each entry in this Christian devotional includes A Bible verse to root you in God s Word An uplifting reading to show you how to live out your faith A brief prayer to help you align your heart with the Kingdom of God Also published as *The One Year Shine Your Light Devotional* this daily devotional is a beautiful and timeless collection of reflections that will help you live out your calling every day all year long *Female Devotion and Textile Imagery in Medieval English Literature* Anna McKay, 2024 Uncovers the female voices lived experiences and spiritual insights encoded by the imagery of textiles in the Middle Ages For millennia women have spoken and read through cloth The literature and art of the Middle Ages are replete with images of women working cloth wielding spindles distaffs and needles or sitting at their looms Yet they have been little

explored Drawing upon the burgeoning field of medieval textile studies as well as contemporary theories of gender materiality and eco criticism this study illustrates how textiles provide a hermeneutical alternative to the patriarchally dominated written word It puts forward the argument that women s devotion during this period was a fabricated phenomenon a mode of spirituality and religious exegesis expressed devised and practised through cloth Centred on four icons of female devotion Eve Mary St Veronica and of course Christ the book explores a broad range of narratives from across the rich tapestry of medieval English literature from the fields of Piers Plowman to the late medieval Morte D arthur the devotions of Margery Kempe to the visionary experiences of Julian of Norwich Gervase of Tilbury s fabulous Otia Imperialia to the anchoritic guidance literature of the Middle Ages and the innumerable and oft forgotten lives of Christ prayers legends and miracle tales in between *Not June Cleaver* Joanne Jay Meyerowitz,1994 In the popular stereotype of post World War II America women abandoned their wartime jobs and contentedly retreated to the home This work unveils the diversity of postwar women showing how far women departed from this one dimensional image *Tradition and Subversion in Renaissance Literature* Murray Roston,2007 Deconstructionist critics have argued that literary works contain conflicting or contradictory meanings thus creating an aporia or impasse that prevents readers from interpreting the work Here however Murray Roston offers detailed and essentially new analyses of works by Shakespeare Spenser Jonson and Donne arguing that the seemingly contradictory presence of traditional and subversive elements in their major works actually creates the source of much of their literary achievement Chapters explore *The Merchant of Venice* *Hamlet* *Faerie Queene* *Volpone* and the *Meditations* of John Donne highlighting the creative tension between centripetal and centrifugal factors borrowing Bakhtin s terms As Roston demonstrates this tension exists in a variety of genres including poetry epic and drama and even in religious prose which he acknowledges might be thought to be exempt from such inner conflict because of its doctrinal and theological focus The tension between tradition and subversion both linguistic and cultural then can be seen to produce not aporia in any negative sense but a positive complexity of response from the audience animating and profoundly enriching each work In *The Merchant of Venice* for example Shakespeare merges the previously despised figure of the merchant with a Christ like figure brilliantly reasserting the Christian condemnation of profiteering while simultaneously advocating its seeming opposite a validation of the burgeoning mercantile activity of the Renaissance *Tradition and Subversion in Renaissance Literary Studies* is a thoughtful study rich in both historical scholarship and in its survey of modern criticism Even those who are quite familiar with the texts discussed here will find Roston s focus on the tension between maintaining the expectations of the culture and pulling toward new ideas an illuminating way to freshly consider these literary works *Everyday Subversion* Kerry Kathleen Riley,2008 Tracing the evolution of grassroots social movements in the former German Democratic Republic GDR this work reveals the democratically spirited subversive forms of communication that were practiced behind the Wall before it fell on November 9 1989 *Thecla's Devotion* JD

McLarty, 2018-08-30 Second century apocryphal Christian texts are Christian fiction they draw on the motifs of contemporary pagan stories of romance travel and adventure to entertain their readers but also to explore what it means to be Christian The Thecla episode in the Apocryphal Acts of Paul recounts the conversion of a young pagan woman her rejection of marriage her narrow escapes from martyrdom and the end of her story as an independent ascetic evangelist In Thecla's Devotion J D McLarty reads the Thecla episode against a paradigm pagan romance Callirhoe for both texts the passions are key to the unfolding of the plot how are unruly emotions to be managed and controlled The pagan would answer through reason This study uses the portrayal of emotion within character and plot to explore the response of the Thecla episode to this key question for Christian identity formation

The Art of Subversion in Inquisitorial Spain Manuel da Costa Fontes, 2005 Rojas's *Celestina* 1499 is perhaps the second greatest work of Spanish literature right after *Don Quixote* and Delicado sought to surpass it with *La Lozana andaluza* 1530 an important precedent of the picaresque novel Both works were written during the height of the Inquisition when the only relatively safe way for New Christian writers of Jewish extraction like Rojas and Delicado to express what they felt about the discrimination they suffered and their doubts regarding the faith that had been forced upon their ancestors was in a covert indirect manner Some scholars have detected this subversive element in Rojas and Delicado's corrosive view of the Christian societies in which they lived but this book goes far beyond such impressionism showing through abundant textual evidence that these two authors used superficial bawdiness and claims regarding the morality of their respective works as cover to encode attacks against the central dogmas of Christianity the Annunciation the Virgin Birth the Incarnation and the Holy Trinity This book which will generate controversy among Hispanists many of whom have refused to examine these works for non Catholic views will be of interest not only to students and scholars of Spanish literature but also to those involved in Jewish studies Medieval European history and cultural studies
