Sueños de paz Carry Ulreich, 2018-02-27 Este diario original sin censurar de una adolescente juda afincada en la ciudad holandesa de Rotterdam arroja una nueva luz sobre la historia de los judos en la Segunda Guerra Mundial Sueños de paz es un diario cuya existencia se desconocia hasta hace muy poco Refleja la historia de una joven neerlandesa entre los años 1943 y 1945 escondida también como Ana Frank y viviendo bajo una amenaza permanente Un relato que hace sentir al lector en carne propia lo que la protagonista y su familia pasaron día a día mientras tomaba notas del horror nazi hasta llenar una libreta y seis cuadernos El doctor Bart Walleet profesor en la Universidad Libre de Amsterdam y especialista en historia juda subraya el inestimable valor de los escritos de Carry Ulreich a quien visitó en Israel donde ella reside en la actualidad como editor de este testimonio estremecedor The book in which Ulreich documented her family's battle to survive as the world around them became increasingly dangerous is among a handful of detailed testimonies of life in hiding in Rotterdam which unlike most Dutch cities was largely destroyed in massive aerial bombardments both by the Germans and later the Allied forces It affords a rare account of the sometimes awkward encounter between the Ulreichs a Zionist and traditionalist family from Eastern Europe whose members were proud of their Jewish heritage and their deeply religious Catholic saviors the Zijlmans family

de Quevedo,1881 **Wars of Latin America, 1948-1982** René De La Pedraja,2013-04-29 This book continues the narrative begun by the author in Wars of Latin America 1899 1941 It provides a clear and readable description of military combat occurring in Latin America from 1948 to the start of 1982 In an unusual peaceful lull Latin America experienced no wars from 1942 to 1947 Although the text concentrates on combat narrative matters of politics business and international relations appear as necessary to explain the wars The author draws on many previously unknown sources to provide information never before published The book traces the many insurgencies in Latin America as well as conventional wars Among the highlights are the chapters on the Cuban and Nicaraguan insurrections and on the Bay of Pigs invasion One goal of the text is to explain why of the many insurgencies appearing in Latin America only those in Cuba and Nicaragua were successful in overthrowing governments The book also helps explain why even unsuccessful insurgencies have survived for decades as has happened in Colombia and Peru Instructors considering this book for use in a course may request an examination copy here [Documenting Movements, Identity, and Popular Culture in Latin America : Papers of the Forty-Fourth Annual Meeting of the Seminar on the Acquisition of Latin American Library Materials, Nashville, Tennessee, May 30-June 3, 1999](#) Seminar on the Acquisition of Latin American Library Materials, Inc.
