

Silent Creep

In the dead of night, when the world is still,
And the air grows cold with an eerie chill,
Ghouls and specters begin to rise,
Underneath the blood-red moon's cold eyes.

Bats take flight with leathery wings,
As the haunted mansion softly sings,
Of ghostly tales from ages past,
Where restless spirits forever last.

The trees, they whisper with voices low,
Of secrets buried long ago,
Graves stand silent, rows on rows,
As darkness in the graveyard grows.

Through fog and mist, the banshees wail,
Their mournful cries, a ghostly trail,
Wolves howl in the distant woods,
In this haunted land, where evil broods.

The pumpkins leering with devilish grins,
Hide the horrors that reside within,
Candles flicker, casting eerie glows,
On this night when the terror flows.

So lock your doors, and say a prayer,
For Halloween's a night of scare,
When the supernatural and the unknown,
Come to life in a bone-chilling tone.
