Sophia's region to eradicate all supernatural beings there both vampires and werewolves. But they won't go down without a fight. For the first time in centuries werewolves and vampires stop fighting each other to handle the common threat of the Hunters. While Sophia is out with a hunting party of her own fighting against the Hunters, a pack of wolves shows up and complicates things. When Kai shifts into his human form, their attraction is instant, and so is their inevitable fate. It seems the Hunters gain the advantage over Kai's pack, and Sophia's vampires leaving them with no choice but to flee together. She allows those left of Kai's pack asylum in the vampires' safe house. While stuck there, her attraction with Kai explodes into something neither of them is prepared for. Only they don't know how long their love affair or their lives will last in a forest crawling with Hunters bent on destroying them.

The Alpha's Breeder Tay T., 2020-01-29

Meet Eros Hall, an Alpha who isn't arrogant, domineering, or egocentric, and falls in love just as hard as our main character does. After being kidnapped by a group of vengeful werewolves, Emira finds herself in one hell of a situation. First, she is believed to be a powerful Breeder capable of birthing an army of werewolf warriors in a world where supernatural beings are going extinct. Second, her true soulmate is a powerful Alpha who is hell-bent on keeping her. And third, to make matters worse, she only has six moon cycles to be marked, mated, and pupped. What does that even mean? This steamy romance novel contains scenes of adult intimacy and dark situations that can be triggering.

Reviews: I have to be honest, I'm only a few chapters in, but I am enjoying this story immensely. That I feel the need to share my thoughts now. First of all, this story is just a great product of the author thinking outside the box. When I first read the title, I expected it to be about a female werewolf who had to be mated to the alpha. Now I'm trying to figure out what kind of species the main character is. Second of all, I've only read the first couple chapters, and I'm already hooked. I'm on the edge of my seat, waiting impatiently to see what's going to happen. And the intensity of the kidnapping is very well detailed. As for grammar, spelling, punctuation, I see very minimal to no mistakes at all. I definitely recommend people read this book. Can't wait to read more.

Charlotte Moore: This is one of the best books I've read before. Reading this book will make you feel like you're on an emotional roller coaster. It makes you wish you were actually in the book, living with all those different people and wolves. I found myself getting attached to all the characters. The storyline is amazing, and I love that this book is unique. You will never find a book with a similar plot.

Again, this is a good book.

Davina Nkasa: This book is by far one of my favorites.

Savannah Burge: An amazing story. Captivated from the beginning. Worth reading and falling in love with it.

Sakina Naeem: What a brilliant story. I was captured from the very beginning and was pleasantly surprised that

it didn't turn out at all like I thought it would Tinkerbelle Leonhardt Too awesome LOVE this story soooooo much and I can't get enough of it I would recommend this story to anyone who likes to read about werewolves soul mates and romance Love you Tay Tay for writing this awesome story Victoria Aye Interesting and addictive I just couldn't stop reading it Angel Agams It's hard to find werewolf stories with a well-written plot There was a background to characters and each scene gave enough description to understand what's going on This is on my list of good werewolf books to read I hope you write a sequel Rachel Pittman In the beginning I was disgusted by the idea of a breeder and all that crap more specifically how who finds her first owns her But I quickly started to realize that the plot line could be amazing if written by the right author and that's exactly what happened here I'm usually not a fan of these kinds of werewolf stories where the mate doesn't have a say But in this story she does and she is in a loving and protected relationship If you like werewolf stories you will adore this book Alice This book is a MUST read It's sooo good It has a unique plot line that is not your everyday cliché werewolf novel The main character Emira is so funny and relatable And don't even get me started on Eros He's hot period It's different and I HIGHLY recommend it Kari

Reviews What the readers are saying about this book The story line is truly captivating and absolutely thrilling I love the fact that the main character is not some naive girl who knows nothing She has character This story is soo good I enjoy how Maya isn't the usual goody two shoes She's cunning and she's not afraid to do everything to save her mother regardless of the repercussions She's so badasssss and maaan I just love it It is easily one of the most original plots I have read so far This book is just like quicksand You come here knowing nothing and when you realize it's got a hold of you it's too late you're addicted just like the rest of us This book is so fabulous Best book ever This book is amazing I love the depth of the characters personalities it made them seem real and I loved how we got to know them I recommended this book to a group of 7 friends because I really do just love it and think they'd like it too It's a beautiful story The amount of details just adds more life to it I have read many other authors books but this story and series has attracted me like none other The amount of suspense anticipation love and hate just encourages me to read the story again and again Every detail just increases a reader's love for the story I really like the story how the characters developed and how the story progressed I have read her other books and I can say that she's a terrific author and I can't wait for her future books Fantastic story by a

great author Love reading her books and enjoy how she brings the characters to life I absolutely love this book I have read many werewolf books but this book has a completely different take and it is written exceptionally well I would recommend this book to anyone that enjoys a good read The suspense is perfect The chemistry between them is off the charts and they haven't even properly bonded yet They both are driven which makes dynamics of their soon to be relationship interesting Who will bend and how will they make it work So far this book has captured my imagination right from the first chapter Great writing Thank you I have no doubt that with your writing talents you shall be an established author in no time I can vividly picture the story in my mind The author is truly talented at bringing the characters setting and scenes to life I'm aroused and excited at every chapter even in waiting This story just began and I'm already craving it like a drug I'm even writing a review when it is something that I NEVER do Before reading you just need to know that it is dark so if it is something you don't like this story is not for you But if you could care less and you love romance hot werewolf dominant men and strong women this story is just for you The plot is marvelous and for those like me who read thousand of werewolf stories its originality is like fresh wind This story is far from the cliché werewolf stories out there I've only read the first few but it has me hooked The writer is so descriptive that I can picture everything in my mind This story is a must read for anyone who loves a little mystery with their romance Really really reeeeeally great story It's definitely a 10/10
