Reading Feminist Intertextuality Through Bluebeard Stories Casie Hermansson, 2001 This study offers a theory for feminist intertextuality based on strategies at work in rewritings of the Bluebeard fairy tale The book asserts that feminist intertextuality revises one coercive intertext in particular that of intertextuality theory itself Rewritings of the fairy tale accordingly can be seen to privilege either the embedded narrative or the escape from it subscribing either to monologic or dialogic intertextuality The work examines the original Bluebeard tale group Perrault Grimm variants historical and modern Bluebeards and other writers including Jane Austen William Godwin Margaret Atwood John Fowles Peter Ackroyd Kurt Vonnegut Angela Carter Gloria Naylor Emma Cave Max Frisch Stephen King Meira Cook and Donald Barthelme

Cinderella - A Retelling with Strength and Courage Lisa Shea, 69 pages Cinderella made a vow to her mother before her mother tragically passed away on midwinter s day Ella swore to watch over her father and care for him But then her father married anew Her stepmother and two stepsisters took sharp delight in causing Ella grief from morn to eve They bullied her called her Cinderella and treated her as little more than a slave in her own home It took all of Ella s courage to swallow the insults and to honor her word Now the crown prince has returned home from the battlefield a ball is announced to celebrate his arrival All eligible young women from the entire kingdom are invited to attend Ella has but one desire left She wishes to see the king s gardens one last time before she leaves home It will be a final way to commemorate her beloved

mother before counting her vows terms as complete She has no idea what awaits her on that arched stone bridge Cinderella A Retelling with Strength and Courage is Book 1 of a gently cliff hanged short story series The series honors the original intention of the Grimm Fairy Tales to present women of strength and courage tackling challenges which seem insurmountable With each new book a new heroine is interwoven into the story The series sequence leads through five books up to a happily ever after ending The series is clean romance and is suitable for teens and up Readers have the option to read each tale one by one or to get the complete set which contains all five tales As fairy tales are so integral to so many young lives it was critical for me to do my very best to present each heroine in a way which honored her strength and showcased her ability to stand on her own It took me over five years to craft this series I feel strongly that no woman should ever sit around waiting for a man to rescue them Women should not endure abusive behavior in the hopes that a man will change or magically become a prince Be the change you wish to see in the world I have a library of over 450 books running the gamut from medieval romance to cozy mystery from mythology to fairy tale to Biblical retellings I support battered women s shelters Feel free to contact me with any questions *The Oxford Encyclopedia of Children's Literature: Luca-Slot* Jack Zipes, 2006 Provides information on notable writers illustrators publishers librarians educators and developments in the field of children s literature throughout the world from the medieval period to the twenty first century
