

Blockchain Technology Explained

A blockchain is an online database, popularly used for cryptocurrency transactions, that stores information chronologically and in blocks.

1

Information is recorded in a block.

2

Once the block is full, it's chained to the rest of the blocks in the database.

3

An empty block is added to the end of the chain to record new information.

The Secret Story of the Dark Web: The Illegal Internet Exposed! Derek Mailhiot,101-01-01 Ever hear of the Dark Web If so you may think it sounds rather mysterious maybe even ominous If that s what you think your instincts are right and the Dark Web now has tens of thousands of websites and many millions of daily users What are all those people doing on the Dark Web Well some people just feel strongly about their privacy and prefer to hang out where they can t be tracked and watched by anyone Even Facebook has a website on the Dark Web where they don t keep logs on user activity That s what the Dark Web is all about PRIVACY Everyone from activists whistleblowers journalists businesses militaries and everyday people use the Dark Web to

block tracking and be anonymous Naturally cybercriminals have flocked to the Dark Web too Many of the Dark Web s most widely known websites have been criminal enterprises At the top of the list are sites selling illegal drugs including illegally obtained prescription medicines Many other sites facilitate financial crime such as money laundering counterfeiting or trade in stolen accounts or credit cards But the Dark Web gets even darker than simple cybercrime Hundreds of websites espouse extremist ideologies or support for terrorist violence some with how to guides or extremist community forums Over 100 known sites peddle child pornography Dozens of sites tout everything from hacking tools and malware to weapons and hitmen for hire The Secret Story of the Dark Web exposes some of the more nefarious illegal activity that occurs on the Dark Web Discover how the amorphous hacktivist collective called Anonymous has extirpated dozens of websites in its relentless mission to purge the Dark Web of child pornography Learn how the Kingpin of Child Porn was caught because of a simple misstep Find out how the 23 year old Canadian mastermind behind the largest illegal drug marketplace ever AlphaBay Market made 23 million in a few short years before his takedown by the FBI only to be found dead in his jail cell in Thailand just days after his arrest

Digital Kingpin: The Alexandre Cazes Story James G. Edwards II, He built a billion dollar criminal empire from his laptop Then he made one fatal mistake Alexandre Cazes seemed to have it all figured out By age 25 this brilliant Canadian programmer was living in luxury in Thailand driving Lamborghinis and managing what would become the world s largest dark web marketplace AlphaBay wasn t just another illegal website it was a criminal ecosystem that revolutionized how drugs weapons and stolen data moved through the digital underground But every digital empire has a weakness In Digital Kingpin investigative author James G Edwards II takes you deep inside the true story of how one young man s technical genius created a global criminal network worth hundreds of millions and how a single operational security failure brought it all crashing down You ll discover How Cazes built AlphaBay from scratch and grew it larger than Silk Road The cat and mouse game between dark web criminals and international law enforcement The lavish lifestyle and psychological transformation of a digital crime lord The cutting edge investigation techniques that finally caught the uncatchable What really happened in that Thai jail cell on July 12 2017 This isn t just another cybercrime story it s a cautionary tale about the intoxicating power of technology and the human cost of digital ambition From the streets of Montreal to the beaches of Thailand from encrypted chat rooms to international courtrooms Digital Kingpin reveals the shocking true story behind one of the 21st century s most audacious criminal enterprises The dark web s greatest success story became its most spectacular failure This is how it happened Disclaimer This book is a factual account based on publicly available reports investigations and interviews It does not provide instructions or promote any illegal activity All analysis is intended for educational and informational purposes only
