Dafni, 2019 This volume presents contributions from the Fourth International Annual Conference on the Theology of the Septuagint which took place in May 2017 at the Aristotle University of Thessaloniki Page xi [Born of the Spirit in Our Spirit](#) Witness Lee, 2023-09-21 In John chapter 3 the Lord Jesus spoke to Nicodemus concerning being born again Nicodemus was confused as to how such a thing could happen but the Lord revealed that it is not a physical matter To be born again is to be born of the Spirit in our spirit and this new birth is our entry into the kingdom of God In this booklet compiled from *Life study of John* Witness Lee opens up this passage in John giving us the meaning of regeneration and the definition and significance of the kingdom of God *Life-study of John* Witness Lee, 2023-09-26 Although the language of the Gospel of John is simple this book is deep and profound In this life study Witness Lee shows that the Bible is a book of life and building and that the Gospel of John also is focused on life and building The Gospel of John reveals that in Christ the Word of God is life that He came that man may have life and that He Himself is life Furthermore this Gospel shows that Christ is the bread of life that He has the water of life that He gives life to man and that He even lives in man as life The Gospel of John also unfolds the divine building In 1 14 we see that Christ in the flesh was the tabernacle for God's habitation among men on earth In 2 19 21 Christ's human body was also the temple of God on earth Through His death His body in the flesh was destroyed and in His resurrection He raised up His mystical body the church to be the enlarged temple of God This is God's building in the universe Furthermore this Gospel reveals that the believers are to be built up to be the Father's house the dwelling place of the Triune God This is adequately and fully disclosed in John 14 According to that chapter all the believers

will be built together as God's eternal habitation with many abodes. Thus as the Lord's last prayer in John 17 indicates all His believers must be built up into one. The first section of the Gospel of John composed of the first 13 chapters is on the coming of the Lord Jesus to bring God into man and to declare God to man. The second section composed of the last eight chapters is on the Lord's going in death and coming back in resurrection to bring man into God and to abide in and with man for God's building.

The Other God Mellanie Queen, 2024-11-04 *The Other God* The Judas Gospel and the Hidden God Beneath the surface of traditional teachings lies a shocking and secret truth that The Other God dares to unveil. In this unique exploration Judas Iscariot emerges not as the traitor the world believes him to be but as an enlightened disciple entrusted with wisdom that transcends human comprehension. This book delves deep into Gnostic spirituality offering an alternative vision where Judas is chosen to uncover hidden mysteries questioning the true nature of good and evil. Through a captivating narrative the author leads readers through a labyrinth of mystical teachings presenting the concept of the Demiurge the flawed creator of the material world in stark contrast with the Supreme God a divinity beyond matter and earthly understanding. Here Judas becomes a guide a traveler between shadows and light charged with revealing ancient secrets and illuminating the path to spiritual liberation. Each page of *The Other God* challenges readers to question conventional certainties to see through the illusion of the material world and to discover the hidden divinity within. This is not a path of blind faith but of profound self knowledge where Judas with courage sacrifices his own image for a greater purpose inviting each soul on a journey toward awakening and connection with eternal wisdom. This book is a gateway to a universe where the sacred and the profane intertwine a masterpiece that calls upon the spirit to break its chains and seek the unknown.
