

The Druze

Sāmī Nasīb Makārim

The Druze:

The Druze Robert Brenton Betts, 1988-01-01 Beschrijving van geschiedenis religie cultuur politiek en samenleving van de volksstam die in het grensgebied van Libanon Israël en Syrië leeft *A History of the Druzes* Kais Firro, This book deals with the history of the Druze community using an interdisciplinary approach to describe analyze and explain historical events and processes The Origins of the Druze People and Religion Philip Khuri Hitti, 1928 **The Druze** Kamal Suleiman Salibi, 2005 An array of scholars from different parts of the world join in a multidisciplinary effort to study and integrate available knowledge and perceptions regarding the Druze as a religious community and historical society The scholars whose work appears in this volume will undoubtedly be helpful to those who seek to know more about the Druze their faith identity and society and the role that they have played in the history of the Middle East In the planning of the first international academic conference of the Druze Heritage Foundation DHF held in collaboration with the Middle East Centre at St Antony's College Oxford in July 2002 it was thought best not to concentrate on any single aspect of the Druze legacy but to attempt to cover the widest possible range of themes the better to bring out the Druze ethos as understood by the Druze themselves and as perceived by others Thus of the fifteen papers presented in this volume which were the ones ultimately received in publishable form the first four relate to religious issues An explanation of the Druze faith by Sami Makarem American University of Beirut is followed by a critical assessment of the pioneering work of the French Orientalist Sylvestre de Sacy on the subject contributed by Tony P Nawfal independent scholar Next David R W Bryer former head of OXFAM presents a survey of Druze religious texts while Naila Kaidbey American University of Beirut describes the career of the fifteenth century Druze reformer al Sayyid Jamal al Din al Tanukhi commonly regarded as the founder of what one may call normative Druzism **The Druze Heritage** Talal Fandi, Ziyad Abi-Shakra, 2001 The Origins of the Druze People Philip Khuri Hitti, 1966 *The Origins of the Druze People and Religion With Extracts From Their Sacred Writings* Philip Khuri Hitti, 1966-01-01 The Druzes of Syria and the Samaritans of Palestine are two unique communities not to be found elsewhere in the whole world Like social fossils in an alien environment these two peoples have survived for hundreds of years in that land rightly described as a Babel of tongues and a museum of nationalities The Samaritans are the remnants of the tribes from Assyria and Persia who were transplanted by Sargon some seven hundred years before Christ to take the place of the ten tribes who were carried into captivity 1 a They figured in the life of Christ as is illustrated by the case of the Samaritan woman and the story of the good Samaritan Today they are represented by about one hundred and eighty persons who intermarry among themselves and are becoming rapidly extinct Their habitat is modern Nablus biblical Shechem and their religion is ancient Judaism mixed with pagan survivals The Druzes have no such clear record to show regarding their origin as a people and as a sect Their ethnographical origins no less than their ritual practices and religious beliefs are shrouded in mystery Appearing for the first time on the pages of history at Wadi al Taym near Mt Hermon in anti Lebanon as professors of

the divinity of the sixth Fatimid Caliph in Cairo 996-1020 AD the Druzes have lived their semi independent lives secluded in their mountain fastnesses of Lebanon unmindful of the progress of the world around them and almost entirely forgotten by the outside world

Relation to World Events The few occasions throughout their history in which the Druzes attracted international attention were first at the time of the Crusades when they were entrusted by the Moslems with the military task of guarding the maritime plain against the Franks They then fought under the banner of Islam and took part in the attacks against the garrisons of Belfort Qal at al Shaq f and of Montfort Qal at Qurayn in Galilee Secondly in the early seventeenth century when their great leader Fakhr al Din II 1585-1635 under whom the Druze power reached its zenith appeared as a refugee from the Sultan of Turkey in the court of the Medicis at Florence Thirdly when as a result of their civil wars in 1860 with their Christian neighbors to the north the Maronites the French landed a contingent of troops to quell the disturbance which resulted in giving the Lebanon a complete autonomy recognized by the great Powers of Europe And fourthly in connection with the recent armed uprising against the French mandate in Syria

The Druze between Palestine and Israel 1947-49 L. Parsons, 2000-02-24 The Palestinian Druze are the only Israeli Arabs who are conscripted into the Israeli army today Based on Israeli military and political documents this book looks at the origins of the Druze's unique status in Israeli society by telling the story of the military and political alliance that emerged between the Druze and the Jewish army in the 1948 war

The Druze and Their Faith in Tawhid Anis Obeid, 2006-07-06 As a small sect that emerged from Islam over a thousand years ago the Druze religion and society has long been cloaked in a tradition of secrecy Veiled from the outside world the religious tenets have been vulnerable to distortion misunderstanding and misrepresentation In this book Dr Anis Obeid a Druze layman provides a penetrating analysis of Druze scriptures and beliefs Tawhid Presenting a chronological narrative of the foundation and development of the faith he explains the historical conditions and religious rationale behind this closed religion The Druze faith is the product of Abrahamic monotheism as it coalesced with other philosophies belief systems and political structures of the West and the East and as Obeid maintains should be recognized for its core monotheism and not fundamentally different from Judaism Christianity or Islam He argues convincingly with examples and translations from the Druze scriptures only now accessible to a non initiate public that Tawhid is a progressive and dynamic spiritual process based on freedom of choice This rich exploration of their faith the author's appeal for a sincere cultural dialogue will resonate with a wide audience in the West and in the Middle East

The Druze in the Middle East Nissim Dana, 2003 A general discussion of the Druze in the Middle East with a particular focus on the Druze relationship with the State of Israel

Encyclopedia of the Developing World Thomas M. Leonard, 2006 A comprehensive work on the historical and current status of developing countries

The to Z of the Druzes Samy Swayd, 2009-07-27 The Druzes are one of the smallest least studied and most esoteric religious communities in the Middle East This is because the Druze teachings remain inaccessible not only to outsiders but also to uninitiated members within the Druze community itself Furthermore

proselytizing inducing someone to convert to one's own religious faith has been prohibited since the establishment of the sect in the 11th century. In order to resist assimilation by the various empires and colonial powers that sought to dominate them—the Byzantines, various Arab dynasties, the Mamluks and Ottomans, the British and French, in addition to the nations that govern them—the Druzes disguise and conceal their beliefs. Therefore, not much is known by outsiders about the Druzes. This dictionary provides nearly 1,000 concise and informative cross-referenced A to Z entries on religious, political, and cultural themes, as well as entries on a number of major families and individuals, artists, writers, diplomats, and leaders who have contributed to the Druze communities. This volume is also complemented with a chronology, an introductory essay, and a bibliography.

[The Druze and their Faith in Tawhid](#) Anis Obeid, 2006-07-06. As a small sect that emerged from Islam over a thousand years ago, the Druze religion and society has long been cloaked in a tradition of secrecy. Veiled from the outside world, the religious tenets have been vulnerable to distortion, misunderstanding, and misrepresentation. In this book, Dr. Anis Obeid, a Druze layman, provides a penetrating analysis of Druze scriptures and beliefs. Tawhid: Presenting a chronological narrative of the foundation and development of the faith, he explains the historical conditions and religious rationale behind this closed religion. The Druze faith is the product of Abrahamic monotheism as it coalesced with other philosophies, belief systems, and political structures of the West and the East, and as Obeid maintains, should be recognized for its core monotheism and not fundamentally different from Judaism, Christianity, or Islam. He argues convincingly, with examples and translations from the Druze scriptures, only now accessible to a non-initiate public, that Tawhid is a progressive and dynamic spiritual process based on freedom of choice. This rich exploration of their faith, the author's appeal for a sincere cultural dialogue, will resonate with a wide audience in the West and in the Middle East.

The Druze Faith Sāmī Nasīb Makārīm, 1974. A very readable commentary by leading Druze scholars over the centuries, several appendixes including a list of Shi'ite imams, stations, Druze prayers, a description of the Druze domestic law, important dates in the history of the Druzes.

The Druze 'Abbās Ḥalabī, 2015. The Druze, a much misunderstood Muslim sect primarily inhabiting the Levant, have endured centuries of persecution by orthodox elements hostile to Islam's rich sectarian diversity on account of their esoteric divergence from mainstream Islam. As a result, they have become a fighting minority, as described by one of their most illustrious leaders. Druze religious belief branched out from 10th and 11th century Shi'ism and includes elements derived from Islamic mysticism. It enshrines all religious schools but posits itself as the sole path to mystical knowledge. Druze teachings are kept secret, so libel and slander by their opponents have been generally left uncorrected. The Druze have preferred taqiyya (dissimulation) when independence or freedom of belief proved unattainable, which has exacerbated ignorance of their faith. Such mystification makes any enquiry into Druze doctrine or history a delicate endeavor. In this valuable study, author Abbas Halabi, himself from a prominent Druze family and closely involved in Lebanese Druze policy, elucidates misconceptions about Druze origins. In a clear style, rich in chronology and analysis, Halabi elaborates on the

political role played by the Druze in the history of the region and evaluates their chances of survival in an era when religious tolerance and political democracy are still nascent The country ,1877 **The Foreign Missionary of the Presbyterian Church** ,1871 **The Asiatic Quarterly Review** ,1886 **Asiatic Quarterly Review** ,1886 *Asiatic Review* ,1886
Beginning in 1895 includes the Proceedings of the East India Association

Whispering the Strategies of Language: An Mental Journey through **The Druze**

In a digitally-driven world wherever screens reign supreme and immediate communication drowns out the subtleties of language, the profound strategies and mental nuances hidden within words often move unheard. Yet, nestled within the pages of **The Druze** a captivating fictional prize pulsating with raw emotions, lies an exceptional quest waiting to be undertaken. Written by a skilled wordsmith, this enchanting opus invites readers on an introspective journey, softly unraveling the veiled truths and profound influence resonating within the fabric of each word. Within the psychological depths with this emotional evaluation, we shall embark upon a genuine exploration of the book is primary styles, dissect their interesting writing design, and succumb to the effective resonance it evokes strong within the recesses of readers hearts.
