Persuasive Genres Sujata S. Kathpalia,2021-09-30 This book provides an analysis of persuasive genres in the domain of media ranging from traditional to new media genres on the internet Kathpalia provides a layered analysis of a family of persuasive genres at the functional semantic and linguistic levels and a reconceptualization of genres as empowering rather than constraining enabling rather than binding and dynamic rather than static The book leads readers to an understanding of

genre that accounts for the way we interpret respond to and create genres in different settings whilst shedding light on how genres change and how they evolve into new and unique forms to meet the ever changing needs of society This book would be of interest to those studying or researching the topic of genres and those interested in reconceptualizing the way in which we interpret and understand genres from linguistic and discourse perspectives **Sun of a Beach** Mia Sosa,2023-05-23 Fun in the sun awaits in this funny flirty and deliciously sexy rom com novella by USA Today best selling author Mia Sosa Perfect for fans of Talia Hibbert Olivia Dade and Alexis Daria No nonsense executive Naomi Reyes can t believe she let her boss manipulate her into babysitting Donovan Taylor the most insufferable creative director of all time Worse she ll be trapped on a private island with him while a bevy of gorgeous models vie for a coveted chance to grace the cover of M Class Magazine s inaugural Swimsuit Edition and if the office rumors are true an equally coveted place in Donovan s bed Still if she survives the trip with no major mishaps she ll earn a shot at landing a dream job as an M Class writer Easy peasy right Wrong Donovan detests people who try to undermine his artistic control and his boss s latest machinations send Donovan to a very devious place Sure Naomi will get her precious photo shoot but it won t be what she expects Bonus Ruffling the feathers of the humorless exec who s never liked Donovan will be satisfying too assuming she doesn t drown him in the ocean first Let the beach games begin The Book Whisperer Donalyn Miller,2009-03-16 Turn any student into a bookworm with a few easy and practical strategies Donalyn Miller says she has yet to meet a child she can t turn into a reader No matter how far behind Miller s students might be when they reach her 6th grade classroom they end up reading an average of 40 to 50 books a year Miller s unconventional approach dispenses with drills and worksheets that make reading a chore Instead she helps students navigate the world of literature and gives them time to read books they pick out themselves Her love of books and teaching is both infectious and inspiring In the book you ll find Hands on strategies for managing and improving your own school library Tactics for helping students walk on their own two feet and continue the reading habit after they ve finished with your class Data from student surveys and end of year feedback that proves how well the Miller Method works The Book Whisperer includes a dynamite list of recommended kid lit that helps parents and teachers find the books that students really like to read *Anointed* Toby Stuart,2025-09-02 A leading organizational theorist takes us deep into the realm of humanity s most powerful invisible force social status and how it shapes everything from who we trust and what we value to which ideas and innovations change the world and who gets credit for their success Why does an authentic Rembrandt fetch hundreds of millions while a nearly identical painting by his most talented disciple goes for a tiny fraction of that price What makes a restaurant hot a neighborhood up and coming or a technology the next big thing Why do people often choose the same seats in recurrent office meetings Who is most likely to interrupt someone else mid sentence Why do big name lawyers earn so much Why are health disparities so pronounced And why when someone gets a bit ahead in life does the small advantage so often compound The answer to all these questions is social status invisible hierarchies that

influence every aspect of our lives from our health to our personal relationships and careers to how we behave in social and work settings to the tastes and preferences we form Without it we d be lost and paralyzed when faced with even the simplest decisions But it comes at a steep cost status works as a powerful amplifier turning small initial advantages into insurmountable leads Inequality is baked into its core Through compelling examples from business economics literature art fashion and beyond Anointed demonstrates how status cascades through society creating winners and losers in ways that often have little to do with merit And how new technology offers a glimpse of a more equitable future **My Friends**
