The Global Author Economy Azhar ul Haque Sario, 101-01-01 The publishing world has changed forever and this book is the map you need to navigate it This book is your complete guide to the global author economy It begins with the past You will learn how self publishing is not new but the original form of publishing We trace its history from ancient scribes to the modern digital age Then the book provides a massive global market analysis We dive deep into 15 different countries This includes the Anglosphere titans the USA UK Canada and Australia We explore European powerhouses like Germany France and Sweden We also unlock the BRICS frontier Brazil India and South Africa Finally we look at unique markets like Japan China Mexico the UAE and Nigeria For each country you get a practical breakdown This includes market trends top local companies and essential copyright laws The guide also covers the cutting edge of the industry You will learn how to use AI for marketing and research We explore the audiobook boom subscription models and direct to reader sales The book explains new business theories You will learn to be an authorpreneur You will understand how to build a global local strategy To finish we look to the future predicting the trends that will shape the industry from 2025 to 2035 What makes this book different from other publishing guides Most books are too limited They focus on just one platform like Amazon or one market like the US This book provides a truly global strategic perspective It gives you the Global Local Nexus model a unique framework for leveraging worldwide distribution platforms while applying targeted localized marketing to build a real connection with readers in different countries It isn't just a simple how to manual It is a comprehensive analysis that combines history practical market data emerging technology trends and powerful business models Other books may show you how to upload your file This book teaches you how to think like a global CEO of your own writing business It's the ultimate resource for building a resilient diversified and sustainable international writing career Disclaimer This book is an independent analysis The author is not affiliated with sponsored by or endorsed by any of the companies mentioned such as Amazon Apple IngramSpark PublishDrive or others All trademarks and company names are the property of their respective owners and are used for identification and analysis purposes under nominative fair use

House of Horrors Agnieszka Kotwasińska, 2023-06-15 This is a study of tumultuous transformations of kinship and intimate relationships in American horror fiction over the last three decades Twelve contemporary novels by ten women writers and two whose work has been identified as women's fiction are grouped into four main thematic clusters haunted houses monsters vampires and hauntings but it is social scripts and concerns linked directly to intimacy and family life that structure the entire volume By drawing attention to how the most intimate of all social relationships the family supports and replicates social hierarchies exclusions and struggles for dominance the book problematizes the source of horror The consideration of horror narratives through the lens of familial intimacies makes it possible to rethink genre
