Program Materials Estate Planning Institute, University of Georgia,2006 **The Cycle of the Gift** James E. Hughes, Jr.,Susan E. Massenzio,Keith Whitaker,2012-10-17 A comprehensive guide to giving well to family members Giving is at the core of family life and with current law allowing up to 5 120 000 in tax free gifts at least through December 2012 the ultra affluent are faced with the task of giving at perhaps largest scale in history Beyond the tax saving and wealth management implications giving to family members opens up a slew of thorny questions the biggest of which is How do I prepare recipients of such large gifts With that question and others in mind Hughes Massenzio and Whitaker have written *The Cycle of the Gift* in three main parts The Who of Giving The How of Giving and The What and Why of Giving The first part focuses

on the people most deeply involved in family giving especially the recipients and givers parents grandparents spouses trustees The second part The How of Giving addresses the delicate balance of givers who want to maintain some level of control and recipients who want some level of freedom in accepting and growing their gifts The final part The What and Why of Giving describes various types of gifts from money to business interests to values and rituals The authors also introduce their family bank concept as a model that combines loans trusts and outright gifts It embodies a framework and set of practices for long term family growth Even families without great wealth or those who have already made large gifts to their children and grandchildren can benefit from the human wisdom and practical advice found in The Cycle of the Gift

Women, Wealth and Wisdom Steven Darwin Wightman, 2012-12-25 History has taught us that when women move together the nation often follows WOMEN WEALTH and WISDOM Unleash The Fire Within To A Life Of Purpose opens a door to financial freedom like suffrage opened the door to new political powers In the post birth control rights era personal finance is now the final feminine frontier So why are women today failing at personal finances Why are today s women more and more at risk of slipping into a financial abyss than men How can this be prevented What does this mean for you and your spouse today WOMEN WEALTH and WISDOM Unleash The Fire Within To A Life Of Purpose is unique because it unites concepts of women and wealth with living with a purpose Steve Wightman explains important decisions that divide those unable to find fulfilling lives rich in prosperity love and purpose from those who do Peppered with personal anecdotes the book reveals sixteen smartest things women do in a lifetime He understands women today are often confused and uncertain about their financial security He addresses this concern with clarity and purpose by stating vital steps women need to take today Financial planning he argues is far more important than planning a wedding or a family reunion because these events are just drops in a bucket contrasted against an entire life It s about life transitioning and survival today Financial planning is life planning It s about what you are and what you want your life to say about you now and tomorrow After more than seventeen years of practice as a fee only certified financial planner serving families including women in transition to single life Wightman looks at what men know and women often don t and how these distinctions create a wealth divide One woman in severe financial distress taught him a vital lesson She telephoned him and said I have a loaded gun pointed at my head and I m just calling to say goodbye Like someone who s survived a lightning strike Wightman felt compelled to write this book because he clearly understands that financial well being is linked to physical and mental health Moreover this connection to mind and wallet is also linked to the health of our society and our nation s economy It means the difference between being a government revenue supporter or a dependent Intended as a 50 woman s guidebook to a life s destination all her own this book is also serves anyone who desires a clear path to a life of personal power prosperity and purpose Once you open WOMEN WEALTH and WISDOM Unleash The Fire Within To A Life Of Purpose you also open the possibility of a new life of purpose power and prosperity Now you can put an oracle in your very own hands Get in on the conversation and you ll never
