Contemporary India: Reflections, Reforms, and Roadmaps Dr Muhammedali Palassery Ithikkal, 2026-01-27 Education in Contemporary India Reflections Reforms and Roadmaps is a comprehensive and scholarly volume that critically examines the complex relationship between education and society in India. Spanning different well-structured units, the book explores social diversity, constitutional ideals, educational rights, policy frameworks, marginalization, language policy, pedagogical paradigms, and the role of education in nation building. Beginning with an in-depth analysis of India's plural social fabric, the chapters trace historical transitions from ancient and medieval periods to contemporary times, highlighting how diversity, inequality, and social change shape educational demands. The volume further engages with the Indian Constitution, the Right to Education, national policies such as NPE 1986 and NEP 2020, and major educational schemes, offering both conceptual clarity and policy-level insights. By addressing marginalized groups, alternative education movements, multilingualism, modern pedagogies, and arts-integrated learning, the book presents a holistic and forward-looking perspective. Collectively, the contributions of different authors, ranging from teacher-educators and researchers to practicing teachers, bring diverse academic voices, regional insights, and experiential perspectives, enriching the discourse. Together, these chapters provide critical reflections, reform-oriented analyses, and practical roadmaps for strengthening education as a tool for equity, democracy, and nation building in contemporary India.
