Taussig,2020-08-25 A memoir in essays from disability advocate and creator of the Instagram account sitting_pretty Rebekah Taussig processing a lifetime of memories to paint a beautiful nuanced portrait of a body that looks and moves differently than most Growing up as a paralyzed girl during the 90s and early 2000s Rebekah Taussig only saw disability depicted as something monstrous The Hunchback of Notre Dame inspirational Helen Keller or angelic Forrest Gump None of this felt right and as she got older she longed for more stories that allowed disability to be complex and ordinary uncomfortable and fine painful and fulfilling Writing about the rhythms and textures of what it means to live in a body that doesn't fit Rebekah reflects on everything from the complications of kindness and charity living both independently and dependently experiencing intimacy and how the pervasiveness of ableism in our everyday media directly translates to everyday life Disability affects all of us directly or indirectly at one point or another By exploring this truth in poignant and lyrical essays Taussig illustrates the need for more stories and more voices to understand the diversity of humanity Sitting Pretty challenges us as a society to be patient and vigilant practical and imaginative kind and relentless as we set to work to write an entirely different story
