Teach Me to Do It Myself Maja Pitamic,2021-02-21 This is a fun filled practical activity book for children between the ages of three and five The activities are based on the Montessori teaching philosophy and will give your child the best possible start in achieving essential skills and developing a greater understanding of the world around him You act as a guide taking your child through the activities to build an essential repertoire of life skills that range from dressing to basic science No specialized knowledge is required The activities go step by step and include suggestions for future activities Only simple preparation is

required with materials that are available in most homes. Not only will your child develop his coordination and grow in confidence and self-esteem, you will gain greater insight into your child's development. Best of all, you will be teaching your child to do things for himself and setting him on the road to independence. [Montessori Activity Book](#) Isabella Hart, 2021-04-22.
