Their Immortal Hearts:

Vampire Kisses 9: Immortal Hearts Ellen Schreiber, 2012-05-15 Athena Stormy Sterling is coming to Dullsville and Raven is both excited and panicked in anticipation of Alexander's little sister's visit. Alexander tells Raven that she and his sister have a lot in common but can the mini Raven be everything she hopes for. Alexander calls her Stormy for a reason. Stormy's visit stirs up the perfect immortal whirlwind. Raven is forced to take a good look at what it would really mean to be a vampire in the Sterling family aside from some of the things she already loves like shunning the sun and sleeping in a coffin with Alexander. When Raven compares her life with Stormy's she can see that it's not all starry skies and black roses. But Raven knows she's always wanted to be a vampire. Alexander is as romantic and dreamy as ever and though he keeps showing Raven how much he loves her will she ultimately be able to convince him that it's the right thing to turn her. This final chapter of Vampire Kisses nocturnal romance will keep all mortal and immortal hearts racing.

Princess of My Immortal Heart Darlyne Frederick, 2013-10-11 In this second installment of the Immortal Heart series we follow King Luke and Queen Nicoletas daughter Zaria. Zaria loves being a werewolf like her father. She is strong, beautiful, and smart. She doesn't need a man to take care of her. Or so she thought until she sets eyes on Adrian Lucas Connors. Once she meets Adrian the handsome young vampire turns her entire world upside down. Adrian's whole life has been dedicated to doing whatever it took to please his father. However, when he falls head over heels in love with Zaria, keeping his father happy is no longer important. But when she finds out his terrible secret, will their love be able to prevail or will it mean his death.

Queen of My Immortal Heart Darlyne Frederick, 2013-05-16 Vampire Princess Nicoleta Morganthe has been in love with Luke Sangre for over 300 years. An attack on his pack took him from her side two centuries ago, but she has never forgotten him. On the night of her crowning ceremony, she lays eyes on him once again. However, will he still love her after so much time has passed. Werewolf Luke Sangre is finally back home in Romania after two centuries of being away, fighting rogue werewolves and protecting his brothers overseas. His heart is still set on his precious Nicoleta. However, after so much time and no contact, will she still care for him and be the Queen of his Immortal Heart.

Nazi Cinema's New Women Jana F. Bruns, 2009-04-27 This book examines the careers of three of Nazi cinema's preeminent movie actresses, painting a unique portrait of mass entertainment and stardom under Nazi rule. Bruns uses undiscovered sources and a new approach which integrates visual analysis within a thorough political and social context to trace how the Nazis tried to use films and stars to build National Socialism. This analysis focuses on female stars, an important but largely unexplored area because they were mostly responsible for Nazi cinema's spectacular commercial success and political failure. Challenging earlier studies which view Nazi cinema as an effective propaganda instrument that helped turn Germans into devoted Aryan mothers and tough warriors, the book shows that the Nazi regime's liaison with the cinema was ambivalent. Films failed to disseminate a coherent political message and to Nazify German society. However, they helped the regime maintain power by diverting people's attention from the brutality of

Hitler's rule and eventually from impending defeat **Positioning the New** Elisabetta Marino, Tanfer Emin
Tunc, 2010-09-13 This ground breaking edited volume includes chapters which explore the past present and future position of Chinese American authors within the framework of what Harold Bloom identifies as the Western literary canon These selections which simultaneously represent the exciting transnational turn in American literary studies not only examine whether or not Chinese American literature is inside or outside the canon but also question if there is or should be a literary canon at all Moreover they dissect the canonicity of Chinese American literature by elucidating the social political and cultural implications of inclusion in the canon Ultimately however this collection is designed as a preliminary step towards exploring the impact of Chinese American literature on the white Anglo Saxon Protestant dominated American literary world and probing the by products of both cultural fusion and cultural collision **The Story of My Heart** Richard Jefferies, 1883
