Caring for Joy: Narrative, Theology, and Practice Mary Clark Moschella, 2016-09-07 In *Caring for Joy Narrative Theology and Practice* Mary Clark Moschella offers a new account of the value of joy in caregiving vocations demonstrating how the work of caring for persons communities and the world need not be a dreary endeavor overwhelmed by crises or undermined by despair Moschella presents glimpses of joy in action in the narratives of five notable figures Heidi Neumark Henri Nouwen Gregory Boyle Pauli Murray and Paul Farmer gleaned their wisdom for the construction of a theology of joy that embodies compassion connection justice and freedom Care must be deep enough to hold human suffering and spacious enough to take in the divine goodness beauty and love This book expands the pastoral theological imagination and narrates joy full approaches to transformational care This work is a scholarly engaging and compassionate call to reconsider the significance of joyful living and joyful lives in radical pastoral theology Heather Walton University of Glasgow President of the International Academy of Practical Theology July 2016 Based on biographies interviews and life stories Mary Clark Moschella presents joy as a counter cultural emotion as a spiritual path and as a fruit of the Spirit In her research joy and reason are not ultimately opposed Jeanne Stevenson Moessner Professor of Pastoral Care Perkins School of Theology Southern Methodist University July 2016 This highly readable and compelling theology of joy will inspire you to explore how joy might energize your vocation especially caregiving vocations that use narrative approaches to spiritual care and pastoral counseling I plan on using this book as a textbook in my theodicy grief death and dying and vocational courses Carrie Doehring Professor of Pastoral Care and Counseling Iliff School of Theology Denver August 2016 Mary Moschella has given us a rare text one that is theologically rich intellectually sophisticated drenched in pastoral wisdom and beautifully written She gives us a pastoral theology attuned to the realities of diversity and sensitive to the complex challenges facing those who lives constantly interface with suffering There is simply nothing else like this book in pastoral care Willie James Jennings Professor of Systematic Theology and Africana Studies Yale University August 2016 *Christ, Our Joy* Joseph Murphy, 2008 Noticing how often the new Pope had the topic of joy as the central theme of his many addresses Murphy delved into the vast writings of the Pope before and after his election to the papacy and found that the theme of joy has pervaded all of his theology Recognizing the Pope's invitation to joy as a key to understanding his basic theological vision Murphy develops those ideas and writings in a creative way and helps the reader to engage personally with the original and pastoral mind of Joseph Ratzinger professor pastor and now Pope Benedict XVI This joy is nothing other than the joy of the Christian faith Indeed the first word of the New Testament says Pope Benedict XVI is an invitation to joy The Gospel of Jesus Christ he insists is not a burdensome imposition but is truly glad tidings for mankind Christianity is the key to true and lasting joy the only joy that abides in the midst of life's anxieties and difficulties Written in a clear and engaging style this book argues that joy is central to all of Pope Benedict's thought All the other great themes of the Christian faith are intimately connected with

it and radiate out from it The world is in need of hearing once again the message of joy which Jesus Christ makes known For priests religious and laity who are concerned with presenting the Christian message in a positive attractive and convincing way as well as for all who wish to delve into the rich and exciting thought of Pope Benedict XVI one of the most inspiring Christian thinkers of recent decades this timely book will provide insight for personal reflection preaching and teaching
