**The Emotional Intelligence** Brandon Goleman,2019-06-17 Buy the paperback version of this book and get the Kindle book version for free Why is it that some people seem to cruise smoothly through life while the rest of us struggle to catch up You probably know one such person or even two in your life They make friends easily They know exactly what to say in social situations At work they are always up for consideration when a promotion is on the table They generally have everything figured out or so it seems It is sheer luck Are the gods of good fortune always looking favorably upon these individuals More often than not it is a question of emotional intelligence rather than luck For the longest time it was believed that being book smart was all you needed to get by in life That is until a different kind of smart was introduced into the picture Emotional intelligence is essentially the kind of smart you need to understand your emotions relate well to people and handle the curveballs that life may throw at you People with emotional intelligence seem to have everything figured out because they have mastered the most important thing of all They have mastered themselves

The Emotional Intelligence is a handbook on all things that you may have questions about in regards to your emotional quotient abbreviated EQ It explores the various aspects of EQ from why we have emotions to why we need them It explains why emotional intelligence might get you further in life than IQ without necessarily diminishing the very important role played by book smarts in your life It goes further to bust the popular myths about emotional intelligence that exist thus allowing you to distinguish the truths from the misconceptions This book is dedicated to helping you explore the various components of emotional intelligence and show you how you can improve at each of them It discusses the role of emotional intelligence at home and in the workplace and helps you identify simple ways to go from low EQ to high EQ Do you know a person or two who always seems to sap your energy every time you interact with them You might be dealing with an energy vampire What is an energy vampire This question is answered comprehensively in this book complete with tips on how to deal with people who are intent on bringing out the worst in you otherwise known as energy vampires If success were a matter of sheer luck then many of us who are not necessarily lucky would be doomed to fail The Emotional Intelligence

gives assurance that success in all areas of your life is well within your reach and it is not necessarily a function of luck if you take time to master your emotions and the emotions of those around you If you have been struggling to understand where your emotions fit in the overall picture of your life or what you can do to achieve greatness in your personal and professional life then this book is perfect for you Do not allow yourself to live another day in oblivion Get ready to figure out the hard questions thanks to The Emotional Intelligence You will thank yourself later for choosing to read this book So scroll to the top of the page and click Buy Now to instantly download *Emotional Intelligence* Daniel Goleman,2009-07-20 Worldwide bestseller about why your emotional intelligence is more important than your IQ **Emotional Intelligence Workbook** Jake Coleman,2020-06-18 Sure you too in file have been told by your parents and teachers that only by studying and doing well in school would you become someone What if I told you that it is not just a high IQ that allows you to be someone and achieve your goals A person with a high IQ good grades and high cognitive functions certainly has more opportunities for success in life but these characteristics are not the only things that matter The success is the result of a combination of various factors and the most important thing is the EMOTIONAL INTELLIGENCE which is the ability to manage your emotions and those of the people around you to get the best of it One of the most important characteristics a person should have to experience intimate and satisfying relationships and to succeed in life is emotional intelligence Many people think that emotional intelligence E Q as it s commonly referred to is something innate They re wrong because while emotional intelligence can be innate or passively acquired it s also something that one can proactively or intentionally develop In this book you will read all there is to know about developing EQ as a beginner or someone new to the concept By the time you ve finished reading this book you ll be armed with everything needed to start your EQ development journey But before we begin let me give you a couple of practical tips to make the most out of this book 1 When you get to the sections on how to develop your EQ think about each strategy or technique i e are you already practicing it in your life If so to what extent are you already doing it Write down your thoughts as you read each technique before proceeding to the next one 2 Once you finish reading all the techniques review all your notes Identify those you believe you re not yet practicing and those that you already are but the degree of which is minimal or lacking 3 For those that you aren t practicing yet think of how you can start practicing them on a regular basis For those you already are but on a minimal level think of ways how you can practice them more regularly 4 Rank the techniques according to ease of implementation i e from easiest to the most difficult 5 Start practicing the easiest technique Once you ve gotten it down to pat move on to the next one and so on So are you ready to start working on a higher EQ level What are you waiting for Turn the page so you can already start the journey

**Emotional Intelligence: The Emotional Intelligence Book - Emotional Intelligence at Work and Emotional Intelligence Leadership** John C. Allen,2017-05-15 Emotional Intelligence The Emotional Intelligence Book Emotional Intelligence at Work and Emotional Intelligence Leadership This Emotional Intelligence Book will answer the question what

is emotional intelligence also referred to as EI As the book works to define emotional intelligence through the four main branches it dives deeper into explaining each branch in hopes of bringing about a higher self awareness in the reader Most people walk around with low emotional intelligence out of ignorance They do not know because they have never been taught Some crowds believe that the emotionally intelligent are as smart as those with high IQ s People in positions of leadership show a higher aptitude of EI for being able to help others to calm the crowd and to work well under pressure without cracking Each of the four branches of the emotional intelligence theory is explained in full detail The first branch is emotional perception The second branch is emotional reasoning The third branch is emotional understanding and the fourth branch is emotional management Each branch has an explanation on how to do it how to perceive how to reason how to understand and how to manage the emotions In leaning this we can then learn how to improve emotional intelligence Emotional intelligence training helps to make leaders out of people and helps people to learn more about themselves and they will learn how to handle their emotions A person with a high level of emotional intelligence has learned how to control their reaction to their emotions and they can also help others with their responses to emotions The emotional intelligence definition shows that we are whole people who have emotions and will go through emotional times but that we can control our reaction and responses to these emotions instead of allowing the emotions to show as raw and out of control
