# Theology Of John

**Andreas J. Köstenberger**

## **Theology Of John:**

**A Theology of John's Gospel and Letters** Andreas J. Kostenberger, 2015-04-28 A Theology of John's Gospel and Letters introduces the first volume in the BTNT series Building on many years of research and study in Johannine literature Andreas Kostenberger not only furnishes an exhaustive theology of John's Gospel and letters but also provides a detailed study of major themes and relates them to the Synoptic Gospels and other New Testament books Readers will gain an in depth and holistic grasp of Johannine theology in the larger context of the Bible D A Carson Trinity Evangelical Divinity School says about Kostenberger's volume that for the comprehensiveness of its coverage in the field of Johannine theology Gospel and Letters there is nothing to compare to this work I Howard Marshall University of Aberdeen writes This book is a first in many ways the first volume that sets the pattern for the quality and style of the new Biblical Theology of the New Testament series published by Zondervan the first major volume to be devoted specifically to the theology of John's Gospel and Letters at a high academic level and the first volume to do so on the basis that here we have an interpretation of John's theology composed by an eyewitness of the life and passion of Jesus The Biblical Theology of the New Testament Series The Biblical Theology of the New Testament BTNT series provides upper college and seminary level textbooks for students of New Testament theology interpretation and exegesis Pastors and discerning theology readers alike will also benefit from this series Written at the highest level of academic excellence by recognized experts in the field the BTNT series not only offers a comprehensive exploration of the theology of every book of the New Testament including introductory issues and major themes but also shows how each book relates to the broad picture of New Testament theology

**The Theology of the Gospel of John** Dwight Moody Smith, 1995-01-26 D Moody Smith treats the theology of the Gospel of John in its narrative form and historical context both ancient Jewish and early Christian His work draws upon the most recent scholarly investigations of the Gospel's historical purpose and setting The major theological themes of the Gospel especially its christology are treated in relation to the context of the work since Johannine theology is not simply a by product of controversies that produced the Gospel but is rather related to them in significant ways As Professor Smith shows John marks an important watershed between Christianity and Judaism His study will thus serve equally well as an introduction to the question of the origin of John and as an introduction to its theology It also consistently pays attention to the relationship of the Gospel to other major New Testament witnesses as well as to its important influence upon the development of later Christian doctrine

*The Gospel According to John* Thomas L. Brodie, 1993 This commentary expands Johannine studies in two directions First drawing on the methods of literary criticism it gives new force to a view which is both ancient and modern that John's gospel far from being a poorly edited mixture of sometimes conflicting traditions is in fact a coherent unity an account of Jesus which however diverse its sources is a finely chiselled work of art Second it indicates that the unity of John's gospel is founded ultimately not on history or theology but on spirituality This too corresponds to a view which is

both very old John was always known as the spiritual gospel and very recent The present study spells out that idea in new detail It indicates that the account of Jesus is so written that the tensions and complexities of the text reflect the tensions and complexities of human life providing the reader not only with an account of Jesus but also with an anthropology a map of the development of the human spirit *The Word of Life* Craig R. Koester,2008-11-17 This accessible engaging work explores the major theological dimensions of John s Gospel including God the world and its people Jesus the crucifixion and resurrection the Spirit faith and discipleship Craig Koester s Word of Life is notable for its comprehensive treatment of themes and its close careful focus on the biblical text on the narrative itself In his introduction Koester provides a succinct overview of the Gospel and shows how disputes about John s theology throughout history have significantly shaped the church and wider society In the course of his discussion such expressions as being born again and Jesus as the way which evoke both interest and uneasiness today become much clearer in the context of the Gospel as a whole Koester interacts with the best of current research and makes creative proposals about how to understand the many aspects of John s theology His clear and highly readable guide to the theology of John s Gospel will appeal to a wide range of readers *The Gospel of John* David F. Ford,2021-12-07 Christianity Today 2023 Book Award Finalist Biblical Studies John is a Gospel of abundant truth life and love David Ford one of the world s leading Christian theologians invites readers into a fresh profound encounter with Jesus through the Gospel of John in this comprehensive theological commentary This commentary will appeal to a wide audience including pastors church leaders and other readers interested in the intersection of theology and spirituality It will also be of interest to professors and students doing research on John and the reception of the Gospel in Christian theology

*The Gospel of Grace and Truth: A Theology of Grace from the Gospel of John* Michael D. Halsey,2015-02-04 The Gospel of John is one of the most widely read and cherished books of the Bible For those seeking to know and grasp the message and theology of John s Gospel THE GOSPEL OF GRACE AND TRUTH provides a thorough and enlightening introduction Writing with insight wit and clarity author professor and Bible teacher Michael Halsey takes the reader on a tour through John s Gospel After laying the foundation of John s origin background narrative structure style and features the theology of John s Gospel is systematically unfolded This includes chapters devoted to John s teaching on Jesus Christ the Holy Spirit Scripture Angels Mankind the Church Salvation and Eschatology THE GOSPEL OF GRACE AND TRUTH is distinct among books on Johannine theology by recognizing John s theme of grace running throughout his Gospel as John states in his prologue The law came by Moses but grace and truth came by Jesus Christ John 1 17 THE GOSPEL OF GRACE AND TRUTH provides a valuable resource for any interested reader of John s Gospel whether seeker student or scholar Dr Tom Constable professor emeritus of Bible Exposition at Dallas Theological Seminary writes It is a joy to recommend Michael Halsey s biblical theology of John s Gospel It will provide help for any student of this portion of God s Word Warm hearted and readable this book will open up new vistas to the thoughtful reader *The Gospel of John* Francis Moloney,2005-06-01 Recognized as an

innovative interpreter of the Gospel of John for decades Francis J Moloney has approached the sacred literature in a way that attends both to the details of the text and to the several contexts that gave life to the original story This text and context approach continues to enrich the reading and interpretation of the Gospel in today s world Gospel of John Text and Context gathers Francis Moloney s key studies on John s Gospel written over the course of his career The three sections of the work comprise studies of Johannine history theology and research exegetical studies ranging across all parts of the Johannine narrative and an exploration of how the Fourth Gospel came to be understood as sacred Scripture Encountering John Andreas J. Köstenberger,1999 Surveys the content of the Fourth Gospel with over sixty photographs maps and line drawings The perfect resource for teaching the Gospel of John in a variety of settings **The Gospel of John** Charles Raith II,2017-03-16 The Gospel of John Theological Ecumenical Readings brings together leading Catholic Orthodox and Evangelical theologians to read and interpret John s Gospel from within their ecclesial tradition while simultaneously engaging one another in critical dialogue Combining both theological exegesis and ecumenical dialogue each chapter is uniquely structured with a main essay by a Catholic Orthodox or Evangelical theologian on a section of John s Gospel followed by two responses from theologians of the other two traditions The chapter concludes with a final response from the main author Readers are thus provided with not only a deep and engaging reading of the Gospel of John but also the unfolding of a rich theological ecumenical dialogue centered on an authority for all Christians namely the Gospel of John

**John the Theologian and his Paschal Gospel** John Behr,2019-02-07 This study brings three different kinds of readers of the Gospel of John together with the theological goal of understanding what is meant by Incarnation and how it relates to Pascha the Passion of Christ how this is conceived of as revelation and how we speak of it The first group of readers are the Christian writers from the early centuries some of whom such as Irenaeus of Lyons stood in direct continuity through Polycarp of Smyrna with John himself In exploring these writers John Behr offers a glimpse of the figure of John and the celebration of Pascha which held to have started with him The second group of readers are modern scriptural scholars from whom we learn of the apocalyptic dimensions of John s Gospel and the way in which it presents the life of Christ in terms of the Temple and its feasts With Christ s own body finally erected on the Cross being the true Temple in an offering of love rather than a sacrifice for sin An offering in which Jesus becomes the flesh he offers for consumption the bread which descends from heaven so that incarnation is not an event now in the past but the embodiment of God in those who follow Christ in the present The third reader is Michel Henry a French Phenomenologist whose reading of John opens up further surprising dimensions of this Gospel which yet align with those uncovered in the first parts of this work This thought provoking work brings these threads together to reflect on the nature and task of Christian theology **Exploring the Gospel of John** Dwight Moody Smith,R. Alan Culpepper,Carl Clifton Black,1996-01-01 Every aspect of the study of John is represented in this book including the historical origins of the Johannine community the religious traditions in the gospel

within and beyond early Christianity the Fourth Gospel's literary dimensions and theological concerns and the distinctive challenges presented by the Gospel's interpretation *Gospel of Glory* Richard Bauckham, 2015-08-11 Throughout Christian history the Gospel of John's distinctive way of presenting the life, works, teachings, death, and resurrection of Jesus have earned it labels such as the spiritual Gospel and the maverick Gospel. It has been seen as the most theological of the four canonical Gospels. In this volume Richard Bauckham, a leading biblical scholar and a bestselling author in the academy, illuminates main theological themes of the Gospel of John. Bauckham provides insightful analysis of key texts covering topics such as divine and human community, God's glory, the cross, and the resurrection, and the sacraments. This work will serve as an ideal supplemental text for professors and students in a course on John or the four Gospels. It will also be of interest to New Testament scholars and theologians.

*The Gospel of John* Paul L. Metzger, 2010-11-01 In the Resonate series the stories and insights of each book of the Bible are brought into conversation with contemporary voices of hope and lament. In this volume we journey through the Gospel of John with Paul Louis Metzger, who wrestles with the question of what happens when God, who is love, comes to town and takes up residence among us.

*Jesus is the Christ* Leon Morris, 1989-01-01 *A Historical and Theological Investigation of John's Gospel* Kirk R. MacGregor, 2020-08-24 This book provides original and controversial contributions into specific areas of Johannine studies, along with defenses of various traditional theological interpretations of John that are commonly overlooked in New Testament scholarship. Kirk R. MacGregor offers new insights into the authorship of the Fourth Gospel, the content of the underlying Signs Source, the meaning of the phrases "believe in him" and "believe in his name." Jesus' claim that Abraham saw his day, the significance of John 14:6, and why the resurrected Jesus upbraided Thomas. MacGregor employs the doctrine of middle knowledge to reconcile the seemingly paradoxical Johannine claims of divine predestination, genuine human freedom, and the universal, divine, salvific will. He defends the ontological equality but functional subordination of the Johannine Jesus to God the Father, as well as the deity and personality of the Holy Spirit, as presented by the Gospel of John.

***The Johannine Theology*** George Barker Stevens, 1894

***The Gospel of John in Christian History, (Expanded Edition)*** J. Louis Martyn, 2019-07-16 This collection of essays on John by J. Louis Martyn gathers four additional Johannine essays into a single volume, augmenting the three published earlier in *The Gospel of John in Christian History* (1978). In addition to the essays published in the third edition of *History and Theology in the Fourth Gospel* (2003), these two volumes preserve for later generations the complete set of Martyn's published works on John. In a timely way, the publication of this volume follows the 50th anniversary of the publication of *History and Theology* (1968), which John Ashton regarded as the most important single Johannine monograph since the commentary of Rudolf Bultmann. It also follows the 40th anniversary of the publication of his second Johannine book, which serves as the core of the present volume.

From the Editor's Preface *The Gospel of John* Rudolf Bultmann, 1971

***The Johannine Theology*** George B. Stevens, 2005-05-10 From the author's Preface: The aim of this volume is to present in systematic form the

theological contents of the Gospel and Epistles of John No treatise which purports to furnish a critical and systematic presentation of the theology of John has hitherto been composed in English It can hardly be doubted therefore that there is room in our theological literature for an exposition of the theology of John which shall set forth the salient features of this great type of New Testament teaching I shall be gratified if this volume serves in some measure to elucidate and emphasize some of those Johannine conceptions to make more manifest their great depth and richness and to illustrate their value for Christian thought and life

*The God of the Gospel of John* Marianne Meye Thompson, 2001-10-09 While there are numerous studies of God in the Old Testament the concept of God has largely been ignored as a subject of inquiry in contemporary New Testament theology As this superb work by Marianne Meye Thompson shows however an understanding of the identity of God is central to the New Testament particularly to the Gospel of John Thompson here offers the first comprehensive study of the concept of God in John's Gospel She shows that one must first grasp the importance of God to John before one can properly appreciate the Gospel's Christology and overarching message By arguing that John is rightly understood to be a theocentric work Thompson challenges the prevailing theory that John is primarily concerned with Christology While Thompson uses traditional historical and exegetical approaches to the New Testament and ancient sources her study is mainly theological in scope She asks how John portrays God and how after reading the Gospel we ought to speak of the identity of God Unlike many recent studies of John this one does not try to reconstruct the history behind the text but rather tries to fully illumine the theological content of John's message A seminal study with lasting implications for New Testament theology *The God of the Gospel of John* will become a standard text for students of the New Testament

Yeah, reviewing a ebook **Theology Of John** could be credited with your close friends listings. This is just one of the solutions for you to be successful. As understood, carrying out does not suggest that you have astounding points.

Comprehending as skillfully as harmony even more than other will have the funds for each success. bordering to, the notice as skillfully as acuteness of this Theology Of John can be taken as skillfully as picked to act.

### **Theology Of John Introduction**

In the digital age, access to information has become easier than ever before. The ability to download Theology Of John has revolutionized the way we consume written content. Whether you are a student looking for course material, an avid reader searching for your next favorite book, or a professional seeking research papers, the option to download Theology Of John has opened up a world of possibilities. Downloading Theology Of John provides numerous advantages over physical copies of books and documents. Firstly, it is incredibly convenient. Gone are the days of carrying around heavy textbooks or bulky folders filled with papers. With the click of a button, you can gain immediate access to valuable resources on any device. This convenience allows for efficient studying, researching, and reading on the go. Moreover, the cost-effective nature of downloading Theology Of John has democratized knowledge. Traditional books and academic journals can be expensive, making it difficult for individuals with limited financial resources to access information. By offering free PDF downloads, publishers and authors are enabling a wider audience to benefit from their work. This inclusivity promotes equal opportunities for learning and personal growth. There are numerous websites and platforms where individuals can download Theology Of John. These websites range from academic databases offering research papers and journals to online libraries with an expansive collection of books from various genres. Many authors and publishers also upload their work to specific websites, granting readers access to their content without any charge. These platforms not only provide access to existing literature but also serve as an excellent platform for undiscovered authors to share their work with the world. However, it is essential to be cautious while downloading Theology Of John. Some websites may offer pirated or illegally obtained copies of copyrighted material. Engaging in such activities not only violates copyright laws but also undermines the efforts of authors, publishers, and researchers. To ensure ethical downloading, it is advisable to utilize reputable websites that prioritize the legal distribution of content. When downloading Theology Of John, users should also consider the potential security risks associated with online platforms. Malicious actors may exploit vulnerabilities in unprotected websites to distribute malware or steal personal information. To protect themselves, individuals should ensure their devices have reliable antivirus software installed and validate the legitimacy of the websites they are downloading from. In conclusion, the ability to download Theology Of John has transformed the way we access information. With the convenience, cost-effectiveness, and accessibility it offers, free PDF downloads have become a popular choice for students, researchers, and book lovers worldwide. However, it is crucial to engage in ethical downloading practices and prioritize personal security when utilizing online platforms. By doing so, individuals can make the most of the vast array of free PDF resources available and embark on a journey of

continuous learning and intellectual growth.

### FAQs About Theology Of John Books
