How to Beat Insomnia and Get a Restful Night's Sleep Digital World,2025-10-21 Everyone has trouble sleeping from time to time While this can be inconvenient it is usually temporary When occasional sleepless nights turn into a regular occurrence of many nights in a row with interrupted sleep you may have a sleep problem If your sleep difficulties are occurring because you are stuck in a cycle of sleepless nights or your insomnia is due to your inability to achieve a state of inner peace necessary to be able to sleep this book is for you Here you ll find healthy options to try before taking potentially harmful habit forming aids In this book you will learn about Preparing the perfect sleep environment Relaxation techniques The role of exercise and diet in your sleep health How to calm your mind to promote good sleep Beneficial natural supplements By following the tips in this book you ll have all the tools you need to stop tossing and turning at night and start enjoying a full night s sleep naturally

Toxic people: Learn to Identify & Handle them & Rediscover Yourself Nitya Rambhadran,2022-03-18 If you re tired of living for others doing what they say and want being with toxic people and toxic relationships You re living with constant unhappiness stress overthinking which leads to regular headaches stomach aches sleepless nights or mental illness Then you should read this eBook One piece of advice people usually give is to stay away from toxic people and yet learn to love yourself But how do you identify a toxic person and even if you do how do you handle them It s very easy to say that you should stay away from toxic people but what if they are your family members your parents brother sister partners You can t just cut them off you need to know the ways to manage them so it doesn t affect your mental health Many people suffer for years in toxic relationships because they don t know the signs of a toxic relationship They stay with people with narcissistic personality and suffer physical mental and emotional abuse If you suffer from toxic relationships and constant physical and emotional abuse and think why this only happens to me or why do I only get people who hurt me This ebook would help you find the answers to your questions Just to give you a gist of what I am talking about Our childhood plays a major role in our character building If you had a loving secure childhood you are likely to grow as a positive confident and secure individual But if you were raised in a dysfunctional family and had faced abusive or traumatic childhood You are more likely to suffer some kind of mental disorder You would have codependency trust issues anger issues a negative mindset towards life and doesn t feel worthy of anything You may lack self love look for others validation and attract toxic people and people with a narcissistic personality disorder often As a result of a traumatic past you carry your old wounds that never healed even as an adult And subconsciously always choose or attract toxic people and narcissists everywhere as your partner or colleague in your workplace or family or friends They end up hurting you deepening your wounds further Many suffer for years in a toxic relationship because they don t work on themselves They keep thinking about what they don t want and attract that more I understand your pain because similar to you I suffered from toxic people and considered myself worthless for over 20 years I have cried for years attempted suicide had toxic people and covert narcissist control my life the

way they wanted fell from one toxic relationship to another and suffered from physical and mental ailments But then I took some major decisions worked hard on my self growth and self improvement developed self love and continue to do so to date And that changed my life by entire 360 degrees If I can do it so can you Here is what you will learn from this ebook Identify the toxic people and learn the art of dealing with toxic people because you cannot eliminate them Take charge of your own life and set personal boundaries Be a confident positive and self loving person Heal your past and childhood trauma Take care of your mental health and increase mental health awareness Rediscover yourself and find your purpose in life Bad relationships And more Along with this this ebook would also guide you about Codependent meaning narcissist meaning toxic relationships meaning toxic traits meaning mental health awareness etc When you understand what these terms mean it would become easier for you to identify what s wrong and what needs to be changed It doesn t matter if you re 18 or 50 you can change your life if you want to No matter how bad your situation is or how hopeless you feel You just need some courage a firm decision and the right guidance And this ebook will help you with that Do you want to live your life as a confident positive assertive person or spend the rest of your life crying about your FATE THE CHOICE IS YOURS If you want to change your life Take the first step by buying this e book Toxic people Learn to identify handle them rediscover yourself Click on the Buy Now to purchase this ebook

How to Protect Your Relationships Digital World,2025-02-24 Dale Carnegie s book How to Win Friends and Influence People is one of the most popular self help books in the world First published in 1936 it has sold millions of copies worldwide and is considered one of the most influential works of the 20th century However although many people have been inspired and influenced by Carnegie s book the thesis of this e book is that the method he proposes can have negative consequences on your interpersonal relationships In this book we will examine each of the principles presented by Carnegie and critically analyze how they can be applied in real life We will argue that although some of the ideas presented in the book may have some value many of them are simplistic and ignore the complexity of human relationships Rather than blindly following Carnegie s method we advocate the importance of a more holistic and empathetic approach in our interactions with others We believe it is essential to recognize the diversity of individual perspectives and needs and develop healthy respectful human relationships based on mutual understanding and genuine dialogue Throughout this e book we hope to provide an alternative perspective to Carnegie s method and encourage readers to question their assumptions about what it means to win friends and influence people
