Still Voices:

Works Thomas Carlyle, 1885 *Mutual Life, Limited* Bill Maurer, 2011-06-27 Why are people continually surprised to discover that money is just meaning Mutual Life Limited spends time among those who in acknowledging the fictions of finance are making money anew It documents ongoing efforts to remake money and finance by Islamic bankers who seek to avoid interest and local currency proponents who would stand outside of national economies It asks how alternative moneys both escape and reenact dominant forms of money and finance and reflects critically on their broader implications for scholarship Based on fieldwork among participants in a local currency system in Ithaca New York and among Islamic banking practitioners in the United States Indonesia and elsewhere this book exploits the convergence between the reflexivity of monetary alternatives and social inquiry by questioning the equivalence between money and ethnography Can money ever be adequate to the value backing it Can social description ever be adequate to messy and contingent realities Bill Maurer's ethnographic discovery is that ethnography as such the holistic description of a way of life cannot be sustained when faced with a set of practices that anticipates and incorporates it in advance His fluently written book represents an unprecedented critique of social scientific approaches to money through an ethnographic description of specific monetary alternatives while also speaking broadly to the very problem of anthropological knowledge in the twenty first century **Sermons preached in Christ Church Brighton. Reported for the 'Brighton pulpit'**. James Vaughan, 1869 **Harmonic Echoes** Trixi Field, 2009-02-01 Canons are a brilliant way to introduce a group of singers to harmony There are no difficult parts to be learned and yet the singers can very soon enjoy the wonderful harmonies they are making together HARMONIC ECHOES is a series of 10 short simple canons which have been very successfully trialled in a number of voice workshops With recurring themes of love light and peace these canons are not only a pleasure to sing their effect on singers and listeners alike can be one of meditative stillness and joyful calm Accessible and easy to learn they progress from very simple to more challenging later in the collection Although intended for a minimum of three voices or groups of voices HARMONIC ECHOES can also be used as solo voice unison chants if so desired MP3 downloads of optional backings and of sample performances unison and canonic of the chants are also available from www.lulu.com/trixifield *History of English Sounds* Sweet, 1888 [A History of English Sounds from the Earliest Period](#) Henry Sweet, 1888 *Criticisms* John William Lester, 1848 [Railway Signal](#), 1900 [Unity](#), 1900 **The Works of Thomas Carlyle: Past and present**, 1897 *Carlyles' Works: Past and present.
