mother before counting her vows terms as complete She has no idea what awaits her on that arched stone bridge Cinderella A Retelling with Strength and Courage is Book 1 of a gently cliff hanged short story series The series honors the original intention of the Grimm Fairy Tales to present women of strength and courage tackling challenges which seem insurmountable With each new book a new heroine is interwoven into the story The series sequence leads through five books up to a happily ever after ending The series is clean romance and is suitable for teens and up Readers have the option to read each tale one by one or to get the complete set which contains all five tales As fairy tales are so integral to so many young lives it was critical for me to do my very best to present each heroine in a way which honored her strength and showcased her ability to stand on her own It took me over five years to craft this series I feel strongly that no woman should ever sit around waiting for a man to rescue them Women should not endure abusive behavior in the hopes that a man will change or magically become a prince Be the change you wish to see in the world I have a library of over 450 books running the gamut from medieval romance to cozy mystery from mythology to fairy tale to Biblical retellings I support battered women s shelters Feel free to contact me with any questions *The Oxford Encyclopedia of Children's Literature: Luca-Slot* Jack Zipes, 2006 Provides information on notable writers illustrators publishers librarians educators and developments in the field of children s literature throughout the world from the medieval period to the twenty first century
