Violent Friend:

Ontologies of Violence Maxwell Kennel,2023-07-24 *Ontologies of Violence* provides a new paradigm for understanding the concept of violence through comparative interpretations of French philosopher Jacques Derrida philosophical theologians in the Mennonite pacifist tradition and Grace M Jantzen s feminist philosophy of religion By drawing out and challenging the remarkably similar priorities shared by its three sources and by challenging the assumption that differences necessarily lead to displacement *Ontologies of Violence* provides a critical theory of violence by treating it as a diagnostic concept that implies the violation of value laden boundaries *Friend of the Court Domestic Violence Resource Book* Mary M. Lovik,2004

Gun Violence and Gun Control: Critical Engagements Annette Bailey,Thomas Harrison,Rebecca Jaremko Bromwich,2022-06-09 This interdisciplinary anthology explores a wide range of intersecting issues contributing to and arising from gun violence Millions of people are hurt and killed by gun violence globally and the traumatic realities of these events are navigated by individuals and communities widely In this context gun violence fundamentally threatens social functioning in significant ways and profoundly test the resilience of families The resulting transformations carry social political legal and economic implications for mothering family dynamics and community engagement This collaborative volume brings together diverse perspectives intended to deconstruct perceptions realities risks and impacts of gun violence as seen by researchers educators community advocates public health health care experts criminologists social workers field based practitioners and victims survivors of gun violence The distinct and broad range of contributions in this volume critically unpacks representations stress and trauma resilience advocacy activism policymaking family functioning social justice and equity governmentality and the criminal justice system public health health care and community programs interventions Ultimately the work is a unique contribution to the literature in which there is a lack of wide academic consideration of gun violence and a demonstrably unsatisfactory political response stretching back decades *Eclectic Magazine, and Monthly Edition of the Living Age* John Holmes Agnew,Walter Hilliard Bidwell,1883
