The Power of Real Optimism Deepika Chopra, 2026-03-10 Optimism isn't about pretending everything is fine It's about staying open and flexible especially when it's not In this fresh science backed debut professional psychologist and media expert Dr Deepika Chopra shows us how to build the kind of optimism that can actually withstand real life We've been sold the idea that optimism is a mood a mindset or worse just an inherent trait But what if real optimism is something else entirely In *The Power of Real Optimism* Dr Deepika Chopra known as The Optimism Doctor offers a radically different definition optimism as a science a skill and a psychological muscle we can strengthen Drawing from over a decade immersed in the science of resilience emotional well being and cognitive psychology as well as her work with clients innovative workshops and hallmark practices think evidence based visualization narrative reframing her signature self worth work and even color therapy Dr Chopra offers a toolkit for navigating the chaos uncertainty and nuance of being human without losing yourself to it Grounded practical and poetic in all the right ways this book will challenge your relationship with hope rewire how you recover from hard things and invite you to stay soft without falling apart With her blend of intimate storytelling psychological insight and tangible tools including a 33 day Real Optimism Challenge Dr Chopra offers something far more enduring than a quick fix or fleeting affirmation She invites us into a deeper more resilient way of living one where we can stay curious in the face of fear open in the face of grief and grounded even as the world wobbles beneath us Because real optimism doesn't deny the dark it teaches us how to see in it

The Associate's Survival Guide Samuel M. Fassig, 2005

Care Brooke McAlary, 2021-06-16 From the internationally bestselling author of *SLOW* comes a new call to arms for a new approach to living well for everyone Tiny acts of care are everywhere A smile passed between strangers A moment spent noticing the light through the leaves A homemade meal shared with friends A parent chasing their child around the park smiles spread on their faces But when the world we live in is overwhelmingly a world of disconnection pain and division it makes sense to ask whether these acts of care beautiful moments of delight connection and kindness that they really matter at all Brooke McAlary believes they matter In fact she believes they might be some of the most important actions we will ever take Now

more than ever we're burnt out, heartsick and overwhelmed by a world full of problems that seem too big to fix. The solution doesn't lie in caring less and switching off. Nor does it lie in caring more and throwing ourselves into further burnout. The radical solution is to learn how to care small. Tiny even. Care. The radical art of taking time explores what it means to care in small, powerful ways for ourselves, our loved ones, and our communities, and reveals that caring doesn't need to cost us our wellbeing, happiness, or connection to the world. That making simple changes to how we live, spending more time in nature, putting down our devices, and connecting with each other face to face, finding awe and wonder in the world around us, and remembering how to play, will have ripple effects that reach far beyond our own corner of the planet. With unwavering compassion and understanding, Brooke McAlary takes us on a journey to rediscover the small pleasures that create large ripples, reminding us that no one needs to shoulder the burden of doing it all by themselves; we only need to cast our eyes forward and start small with care.

Launch Your Inner Entrepreneur: 10 Mindset Shifts for Women to Take Action, Unleash Creativity, and Achieve Financial Success Charlene Walters, 2021-02-23. Practical, specific advice and strategies to help women develop an entrepreneurial mindset. Entrepreneurship has always skewed male, from availability of funding to how-to books that assume a primarily male audience. And yet 36% of all small business or franchise owners are women, and there are 13 million female-owned businesses contributing to more than 1.8 trillion in revenue. Now, with a fast-changing economy making traditional employment unsteady, there's never been a better time for becoming a fempreneur. In *Launch Your Inner Entrepreneur*, Charlene Walters provides the tools you need to successfully launch and grow your side hustle, start-up, or small business. As a mentor on Entrepreneur magazine's Ask an Expert forum and developer of a digital entrepreneurship MBA program, Walters knows what you're facing and can help you avoid common mistakes, find your niche, build up your personal brand, and reach your entrepreneurial goals. You'll find the practical, real-world advice necessary to create the opportunities you want by embracing ten Mindset Shifts, including Embracing an Entrepreneurial Attitude, Cultivating Financial Confidence, Branding and Building Presence, Leveraging Social Media Options, Leading Your Startup, Going into Growth Mode, Rebooting, Repeating, and Avoiding Burnout. Along the way, packed with smart tips and hard-won wisdom, *Launch Your Inner Entrepreneur* concludes with a special bonus section: the Fempreneur Action Plan, which includes a business concept and planning worksheet, visual brand style guide, resilience and setback survival exercise, and more to help you put the Mindset Shifts into action now.
