David Moody,2007-10-11 This first volume of what will be a full scale portrait presents Ezra Pound as a very determined and energetic young genius setting out to make his way both as a poet and as a force for civilization in England and America in the years before during and just after the 1914 18 war In a clear and lively narrative A David Moody weaves a story of Pound s early life and loves of his education in America of his apprentice

years in London devoted to training himself to be as good and powerful a poet as he had it in him to become of his learning there from W B Yeats and Ford Madox Hueffer then forming his own Imagiste group and going on from that to join with Wyndham Lewis in his Vorticism and to link up also with James Joyce and T S Eliot to create the modernist vortex in the midst of the 1914 18 war We see Pound scraping a living by writing prose for individualist and socialist periodicals and emerging as not only an inspired literary critic but as a critic of music and society as well Above all Moody shows Pound s evolution as a poet from the derivative idealism and aestheticism of his precocious youth into the truly original author of *Homage to Sextus Propertius* and *Hugh Selwyn Mauberley* We find Pound established by 1920 as a force for revolution in poetry as a force for the liberation of the individual from stifling conventions and as a force for renaissance in America We find him becoming committed moreover to the reform of the capitalist system in the name of economic justice for all This is the first biography to put Pound s poetry at the heart of his existence where he himself placed it and to view his extraordinarily active life his loves and his creative effort as a single complex drama The altogether new and comprehensive account of all of his poems from the earliest through *Cathay* and up to *Hugh Selwyn Mauberley* and the first *Cantos* will illuminate his poetry and make it more accessible With that there is an exceptionally clear and cogent analysis of the ideas informing his Imagisme and his Vorticism and of the ideas informing his commitments to the freedom and fulfilment of the individual to a cultural renaissance and to social and economic reform The poetry the prose writings and the personal life are all woven together into a brilliant narrative portrait of the poet as a young man The second volume *The Epic Years* carries on the narrative of his life and works from 1921 the year in which he took up residence in Paris

Ezra Pound James J. Wilhelm, 1994 This third and final volume of Wilhelm s *Life of Ezra Pound* commences with Pound s departure from Paris at the height of his writing career for Italy where he hoped to find a quieter life and it takes him to his death in 1972 It tells how he settled in Rapallo and soon found Mussolini s fascism to be amenable to his own political and economic ideas especially during the dark days of the Great Depression As Italy girded itself for World War II Pound was almost haphazardly drawn into the web and he foolishly agreed to broadcast on Radio Rome for the Duce even after the bombing of Pearl Harbor When Italy fell to the Allies Pound was put first into a dreadful American detention camp at Pisa and then was flown to Washington to be tried for treason He escaped conviction on grounds of insanity but he was then remanded to St Elizabeths Hospital where he languished for twelve years Despite the incarcerations Pound produced during this time some of his most magnificent poetry including *The Pisan Cantos* and numerous excellent translations from the Chinese and Greek He also heavily influenced an entire generation of poets ranging from Robert Lowell to Allen Ginsberg With the help of Archibald MacLeish and Robert Frost Pound was eventually freed in 1958 He returned to Italy where he lived for a time with his wife and daughter During the final years of his life he eventually returned to live with his aged lover Olga Rudge in Venice and Rapallo He died in Venice in 1972 and is buried next to Igor Stravinsky whose work his own strongly resembles since they

both fought for liberation from traditional forms **Ezra Pound in London and Paris, 1908-1925** James J. Wilhelm,1990
This book systematically traces Pound s career from his arrival in London in 1908 to his departure from Paris in 1924
emphasizing his activities but also describing his writings and relating them to his life Avoiding either vitriolic condemnation
or pious hagiography Wilhelm examines Pound he also deals with Pound s weaknesses as manifested particularly in his
stormy encounters with people like Amy Lowell Unlike recent popular biographies this work offers the reader much new
material about Pound s life notably his amatory adventures with Nancy Cunard and Iseult MacBride Stuart his musical
relations with Katherine Ruth Heyman and Walter Morse Rummel and his friendships with artists such as Francis Picabia
Henri Gaudier Brzeska and Wyndham Lewis The Paris years from 1921 to 1924 are presented in a novel way through the
dynamic interplay in Pound s life both as a diary listing important events and as a series of constellations of artists musicians
writers and lovers The book concludes with Pound s eventual disenchantment with Parisian life his writing of his first Cantos
and his removal to Mussolini s Italy a land that would greatly influence his tragic later years *Ezra Pound: Poet* A. David
